RE: 2011 Report on Expenditure of Bond Proceeds

Dear Members of the 2011 Legislature:

Minnesota Statute 16A.501 requires the Commissioner of Management and Budget to report to the chairs of the Senate Finance Committee and the House Ways and Means Committee by January 1 of each year on the degree to which entities receiving appropriations for capital projects in previous omnibus capital improvements acts have encumbered or expended the money. This report includes balances for *all* bonding projects, including projects that are less than four years old.

In accordance with M.S. 16A.501, attached is an accounting report titled ***Legal Obligation Appropriation Sort – General Obligation Bonding Capital Improvements***. This report is intended for informational purposes only -- cancellations are governed exclusively under the provisions of M.S. 16A.642.

Questions regarding this report may be directed to Gay Greiter, Capital Budget Coordinator in the Department of Management and Budget at (651) 201-8049.

Sincerely,

James Schowalter
Commissioner
