Advisory Committee to the Program Committee of the Health Professionals Services Program

Legal Basis: M.S. 214.32
Health Professionals Services Programs
St Paul, MN 55108
Telephone: (612) 317-3060
Compensation: Public members cannot be regulated by the Minnesota health-related licensing boards and must meet provisions defined in Minnesota Statute 214.02.
Powers and Duties include: The Health Professionals Services Program (HPSP) monitors the practice, treatment and continuing care of regulated health professionals who may be unable to practice with reasonable skill and safety, if their illness is not appropriately managed. The enabling legislation provides a non-disciplinary method for health licensing boards to address health professionals with illnesses who recognize their illness and the need for continuing care and/or practice limitations. The committee will provide input to the program committee, program and board staff.
Member Restrictions include:
MISSION: The Health Professionals Services Program (HPSP) is a program of the Minnesota health related licensing boards that provides monitoring services to health professionals with illnesses that may impact their ability to practice safely.

An advisory committee is established to advise the program committee consisting of: (1) one member appointed by each of the following: the Minnesota Academy of Physician Assistants, Minnesota Dental Association, Minnesota Chiropractic Association, Minnesota Licensed Practical Nurse Association, Minnesota Medical Association, Minnesota Nurses Association, and Minnesota Podiatric Medicine Association; (2) one member appointed by each of the professional associations of the other professions regulated by a participating board not specified in clause (1); and (3) two public members, as defined by section 214.02. Members of the advisory committee shall be appointed for two years and members may be reappointed.

Additional Information on how appointments are made:

Biennial Notice of Appointments to Program Manager. Biennially on November 1 of odd-numbered years the program manager will notify each participating association of the need to make a new appointment or confirm the continuation of the current appointee by the coming January 15. Each participating association must notify the program manager in writing on or before January 1st of the even-numbered year of who their representative is and who their alternate is (if they use an alternate). HPSP does not offer members a per-diem (payment) for participating on the committee. Participation on the committee is voluntary. "Public member" means a person who is not or never was, a member of the profession or occupation being licensed or regulated or the spouse of any such person, or a person who does not have or has never had, a material financial interest in either the providing of the professional service being licensed or regulated or an activity directly related to the profession or occupation being licensed or regulated.

Summary of Activities include: The HPSP is invested in obtaining public member participation on the advisory committee to the program committee. Public members must meet the definition described in Minnesota Statutes 214.02. Ideally, public members are interested in enhancing public safety in health care by promoting early intervention, diagnosis, and treatment of health professionals with potentially impairing illnesses; and by providing monitoring services as an alternative to board discipline. Please note that Minnesota Statutes 214.02 restricts many interested persons from being appointed as a public member. In fiscal year 2017, the Advisory Committee was instrumental in updating program forms.
Meetings are held at: 2829 University Avenue, Minneapolis.

Early Intensive Developmental and Behavioral Intervention (EIDBI) Benefit Advisory Group

Legal Basis: M.S. 256B.0949
PO Box 64967
St. Paul, MN 55164-0967
Telephone: (651) 431-4894
Compensation:
Powers and Duties include:
The Early Intensive Developmental and Behavioral Intervention (EIDBI) benefit is a medical benefit first offered in 2016 under Medicaid. EIDBI is available to people under age 21 with a diagnosis of Autism Spectrum Disorder (ASD) and/or related conditions. Related conditions include, but are not limited to, Asperger's Syndrome, Fetal Alcohol Spectrum disorders, pervasive Developmental Disorder - Not Otherwise Specified (PDD-NOS), and Rett Syndrome.

The advisory group meets four times per year; it is consulted on the ongoing development of EIDBI policies and standards and on the implementation of the EIDBI benefit. Members are expected to share information with and seek input from organizations and networks they are affiliated with that support persons with autism and related conditions.

The EIDBI Advisory Group was created by the Department of Human Services (DHS) in 2017; its 32 members serve two-year terms and may serve successive terms. Membership categories include people with ASD or a related condition, parents of people under age 21 with ASD or a related condition, current or potential EIDBI providers, psychologists, behavior professionals, licensed professionals, academics, county/tribe/managed care representatives, and state agency representatives.
Member Restrictions include:
Summary of Activities include:
In 2018, the EIDBI Advisory Council:

1. Gave feedback to DHS on variances to provider qualifications to address a provider shortage. These variances and other policy suggestions from the advisory group led to a doubling of the number of EIDBI providers--which has doubled children's and young people's access to services.
2. Participated with DHS staff in local and remotely accessible meetings for parents, potential providers, and college students. The meetings' purposes were to publicize the EIDBI benefit, recruit providers, and encourage college students to pursue courses for direct care and professional positions serving people with ASD and related conditions.
3. Provided input to DHS on the Minnesota Autism Portal website.
4. Made suggestions to EIDBI staff on revising the legislative language regarding EIDBI treatment modalities (methods) found in statute--important, as this field is evolving quickly.

Members also heard presentations from private-sector and state experts on the prevalence of autism and the status of treatment in Minnesota, such as the use of cannabis for people with ASD and learnings from tele-health outreach.
Meetings are held at: Beginning in 2019: Minnesota Department of Education Conference Center, 1500 Hwy 36 West, Roseville, MN

Health starts where we live, learn, work and play. Environmental health (EH) is an integral part of Minnesota's public health system. The Environmental Health Specialist/Registered Sanitarian (REHS/RS) Advisory Council advises the Commissioner of Health regarding EH specialist/sanitarian registration standards, and enforcement of the REHS/RS rules, to provide for the dissemination of information regarding REHS/RS registration standards, and review applicants for registration or registration renewal.

EH specialists/sanitarians administer environmental and public health programs for both public and private agencies and organizations through out the state and nation. Registration signifies a level of expertise and competence based on education and experience that is nationally recognized within the EH profession.

Registration has the primary purpose of protecting the public by eliminating the unqualified from professional practice. It is not designed to identify the most competent members of the profession, but to assure a minimum level of competence among all practitioners.

Member Restrictions include:
The seven-member council consists of four registered environmental health specialist/sanitarians; one representative of a regulated industry or educator; and two public members.

Per Minnesota Statute 214.05, public member is defined as:

"Public member" means a person who is not, or never was, a member of the profession or occupation being licensed or regulated or the spouse of any such person, or a person who does not have or has never had, a material financial interest in either the providing of the professional service being licensed or regulated or an activity directly related to the profession or occupation being licensed or regulated.

Special Review Board

Legal Basis: M.S. 253B.18 sub 4c & 253B.185 sub 9
444 Lafayette Road N
St Paul, MN 55164-0992
Telephone: (651) 431-2531
Compensation: (1) mileage; (2) the attorney member of each Special Review Board panel receives an additional $150.00 for preparation of the Board's Findings of Fact and Recommendation.
Powers and Duties include:
The Special Review Board is established by Minnesota Statutes 253B.18, subdivision 4c. Members are appointed by the Commissioner of Human Services.

Prior to each Special Review Board hearing, the panel members receive and review written materials (e.g. petition, reports, treatment records, etc.). During each hearing, which typically lasts approximately 30 minutes, panel members hear presentations by various individuals (e.g. treatment providers, forensic psychologists or psychiatrists, attorneys, the committed person, and/or the committed person's family/friends) and ask questions of the presenters. Following each hearing, the panel members privately deliberate and decide the panel's recommendation.

Following the hearing, the panel's attorney member drafts written Findings of Fact and Recommendation for the consideration of the Commissioner of Human Services (for matters pertaining to persons civilly committed as Mentally Ill and Dangerous) or the Judicial Appeal Panel (for matters pertaining to persons civilly committed as Sexually Dangerous Persons or Sexual Psychopathic Personalities).

Special Review Board hearings are held in blocks of three to five hearings, which are scheduled over the course of a morning or afternoon multiple times per week. The number of hearings heard by each Special Review Board member varies according to the members' schedules and the number of scheduled hearings.

Member Restrictions include:
The Special Review Board hears and makes recommendations on matters affecting the liberty of persons civilly committed as Mentally Ill and Dangerous, a Sexual Psychopathic Personality, and/or Sexually Dangerous Person. Specifically, the Board hears petitions for a reduction in custody filed by or on behalf of these civilly committed persons as well as appeals of provisional discharge revocations and objections to pass plan eligibility.

There are 24 members on the Special Review Board, and each matter is heard by a three-person panel of Board members. Each panel must include a licensed attorney and a licensed psychiatrist or licensed doctoral level psychologist with forensic experience, both of whom must also be experienced in the field of mental illness. The third member of each panel is a community member who is experienced in the field of mental illness.

Special Review Board members must use technology (e.g. email, internet-based secure file transfer services, etc.) during the course of their Board-related work. Board members must also attend initial training sessions and ongoing training (typically twice per year). Attorney Board members must have excellent writing skills as they are responsible for preparing written Findings of Fact and Recommendations.

Preferred qualifications for all Special Review Board members include professional experience related to sexual abuse or disorders, and experience with the Minnesota Commitment and Treatment Act (Minnesota Statutes Chapter 253B) and/or the Minnesota Commitment and Treatment Act: Sexually Dangerous Persons and Sexual Psychopathic Personalities (Minnesota Statutes Chapter 253D).

Special Review Board members may not be currently affiliated with the Department of Human Services.

Summary of Activities include: One Hundred Eighty Four hearings - approximately 52 hearing days
Meetings are held at: Dept of Human Services in St. Paul, MN and via ITV

State Historic Preservation Review Board

Legal Basis: Required by Federal law
50 Sherburne Avenue
St. Paul, MN 55155
Telephone: (651) 201-3288
Compensation: Expenses Only
Powers and Duties include:
(5) The Review Board must adopt written procedures governing its operations consistent with the provisions of this section and related guidance that the National Park Services issues.

(6) Review Board responsibilities include, but are not limited to, the following:

(i) Providing advice to the SHPO on the full range of Historic Preservation Fund-supported activities, that section 101(b)(3) of the Act describes;

(ii) Reviewing and making recommendations on National Register nomination proposals;

(iii) Participating in the review of appeals to National Register nominations; and

(iv) Performing such other duties as may be appropriate.

Member Restrictions include:
(1) All Review Board members must have demonstrated competence, interest, or knowledge in historic preservation. A majority of Review Board members must meet "the Secretary of the Interior's (Historic Preservation) Professional Qualifications Standards," which are part of the larger "Secretary's Standards and Guidelines for Archeology and Historic Preservation." The members meeting "the Secretary's (Historic Preservation) Professional Qualifications Standards" must include, at a minimum, one individual meeting "the Secretary's (Historic Preservation) Professional Qualifications Standards" for history, one individual meeting "the Secretary's (Historic Preservation) Professional Qualifications Standards" for architectural history, one individual meeting "the Secretary's (Historic Preservation) Professional Qualifications Standards" for historic architecture, one individual meeting "the Secretary's (Historic Preservation) Professional Qualifications Standards" for historic archaeology, and one individual meeting "the Secretary's (Historic Preservation) Professional Qualifications Standards" for prehistoric archaeology. One individual may meet the Standards for more than one required discipline. The other Review Board members, if any, who comprise the majority meeting "the Secretary's (Historic Preservation) Professional Qualifications Standards" may represent, subject to the SHPO's selection, any of the disciplines that those "Standards" describe.

(2) The Secretary will consider proposals from a SHPO for a minimum required Review Board composition that differs from the requirement that paragraph (f(1) of this section specifies, if the proposal addresses better an appropriate balance of historic property, customer or constituent, and historic preservation needs in that State.

(3) When a required Review Board position becomes vacant, the SHPO must fill the vacancy in a timely manner. In the interim, the SHPO must ensure that the Review Board has access to advice from appropriately qualified individuals. A lapse of more than one year in filling the vacancy is cause for review, comment, and appropriate action by the Secretary.

(4) The Review Board must meet as often as is necessary to complete its work in a timely fashion, but no less often than once a year.

Summary of Activities include:
Since 1969 Minnesota's State Historic Preservation Review Board has reviewed properties for nomination to the National Register of Historic Places (NRHP), a federally-managed program recognizing the importance

of local, state, and national history as expressed in our built and archaeological environments. The NRHP is one of several historic preservation programs created with passage of the National Historic Preservation Act of 1966, the most comprehensive federal law pertaining to protection of historic resources.

Since its founding, the Review Board has considered and debated numerous properties, and to date roughly 1,700 Minnesota properties representing approximately 7,000 historic resources have been listed in the NRHP.
