

STATE OF MINNESOTA
DEPARTMENT OF ADMINISTRATION
REORGANIZATION ORDER NO. 73

Pursuant to Minnesota Statutes 1974, 16.25, 16.13, and 16.135, the following administrative reorganization is made.

In order to expedite the Cost Improvement Program, and to further promote economy and efficiency in the Department of Welfare, the following position is transferred from the Department of Administration to the Department of Welfare.

<u>Position No.</u>	<u>Classification</u>	<u>Incumbent</u>
591360	Management Analyst, Principal	Phillip Iverson

No funds are being transferred at this time because it appears adequate funds are available in the Department of Welfare. The need to transfer funds may be reviewed at some later date.

The legislative complement of the Department of Welfare is increased by one full time position and the legislative complement of the Department of Administration is decreased by one full time position.

The Commissioner of Finance is authorized to complete this transfer.

This order is effective July 21, 1976.
