SUBJECT: Reorganization Order No. 97

Enclosed is a copy of the Department of Administration Reorganization Order No. 97 which relates to the transfer identified in Laws 1978, Chapter 768, Section 2, and which has been filed with the Secretary of State.

Although this Act directs the transfer to the Department of Administration, I have been advised by Senate Counsel that this was a drafting error, the intent was to make the transfer to the Department of Natural Resources, and the transfer should be made as intended. The Office of the Attorney General has also advised me that the transfer should be made as intended.
