Seating Arrangement 1991

Seating Arrangement 1991

The seating arrangement is displayed in a large, stylized diagram showing the layout of the Minnesota House of Representatives chamber. The diagram is divided into two main sections: the upper section for the House of Representatives and the lower section for the Senate. Each section contains a grid of seats, with members' names and district numbers listed next to their respective seats. The diagram is oriented diagonally, with the House of Representatives seats on the left and the Senate seats on the right. The members' names are listed in a column to the left of the House seats and in a column to the right of the Senate seats. The district numbers are listed in a column to the right of the House seats and in a column to the left of the Senate seats. The diagram is a detailed representation of the seating arrangement for the 1991 session of the Minnesota House of Representatives.
