STATE OF MINNESOTA  
DEPARTMENT OF STATE

IN SENATE, APRIL 20, 1966.  
FILED

RESOLUTION

The Senate has received a petition for detachment of land from the Village of Pleasant Lake, Minnesota, on the 23rd day of March, 1966 signed by the said property owners. The Pleasant Lake Village Council voted on a resolution on March 6, 1966 to support the petitioners' request for the detachment.

The territory involved consists of:

The SW 1/4 of the SW 1/4 Section 30, Township 44,  
Range 29, Village of Pleasant Lake, County of  
Stearns, Minnesota.

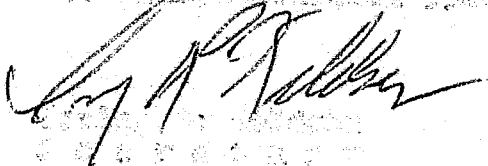

The property is unimproved and occupied and is used exclusively for agricultural purposes, and is not needed for reasonable anticipated future development. There are no municipal improvements in said area. The detachment would not unreasonably affect the symmetry of the municipality.

The petition is in proper legal form and sets forth the information required in Minnesota Statutes 414.36 and upon the files and records of the Municipal Commission being fully advised in the premises.

It is therefore recommended that the Senator detach said property, and the same hereby be detached from the Village of Pleasant Lake and made a part of the Township of St. Joseph.

Passed this 13th day of April, 1966.

WALTER H. HANSEN, Secretary  
100 West Center  
St. Paul, Minnesota 55101
