There shall be paid into this fund moneys received on special assessments heretofore or hereafter levied by the city for local improvements, and also the proceeds of the sale of the one hundred fifty thousand dollars (\$150,000.00) par value of bonds authorized herein. Except as in this charter otherwise provided, the council may, by resolution, determine the aggregate amount of the assessments for local improvements which in its judgment will be extended for payment, as is provided for in chapter IX of this charter, but in no case shall such aggregate amount exceed seventy-five per cent (75 per cent) of the total estimated cost of such improvement, and order the issuance and sale of extended assessment certificates representing such aggregate sum, which shall entitle the holder thereof to demand and receive from the city of Duluth, upon the surrender of such certificates to the treasurer on or after the date of payment thereof, the amount of money named to be paid therein, with the rate of interest stipulated to be paid thereon to the due date thereof and not after such date. Such certificates may be issued in such amounts and become due on such dates as the council may determine, but none of the same shall be payable more than five (5) years from the date of the same. The proceeds of the sale of said certificates shall be paid into the permanent improvement revolving fund. Said certificates shall bear a rate of interest not exceeding six per cent (6 per cent) per annum. The council may, in its discretion, either sell said certificates direct to investors, or may contract for the sale of all such certificates that may be issued during any calendar year. No sale of such certificates, by contract, shall be made except after advertising for bids, at least one week prior to sale, in the official newspaper of the city, and such sales shall be made to the highest responsible bidder. Bids may be asked on the basis of a rate of interest specified in the proposals and on the net interest basis on which the bidder will pay par for the same.

10-(a). The aggregate amount levied by general taxation in any one year for all of said funds, not including funds numbered 1 and 2, shall not exceed fifteen (15) dollars per capita of the population of the city of Duluth and a levy in excess of such limitation shall be void as to such excess.

Whenever a new census shall be taken by the general government the enumeration of the inhabitants of said city thereby shall automatically adjust itself as a new basis of calculation hereunder.
