Containing 3.20 acres, more or less. Subject to the rights of the public in County Aid Highway #6. Subject to the rights of the public in U.S. Trunk Highway #212.

All that part of the SE $\frac{1}{4}$ of the SE $\frac{1}{4}$ of Section 6, Township 115, Range 36, described as follows: Commencing at the Southeast corner of said Section 6; thence on an assumed bearing of WEST, along the South line of said Section 6, a distance of 420 feet to the point of beginning of the parcel herein described; thence continuing on a bearing of WEST, along said South line, 368 feet; thence on a bearing of N 0°44'25"E, 59'; thence on a bearing of N 12° 25' 43"E, 279.52 feet; thence on a bearing EAST, 311.37 feet; thence on a bearing of S 0°44'25"W, 332 feet to the point of beginning. Further, there are no persons who qualify as voters residing in the area subject to annexation.

CONCLUSIONS OF LAW

1. The Minnesota Municipal Board duly acquired and now has jurisdiction of the within proceeding.
2. The area subject to annexation is now or is about to become urban or suburban in character.
3. Municipal government is required to protect the public health, safety, and welfare in the area subject to annexation.
4. The best interest of the City of Renville and the area subject to annexation will be furthered by annexation.
5. The remainder of the Township of Emmet can carry on the functions of government without undue hardship.
6. There is a reasonable relationship between the increase in revenue for the City of Renville and the value of benefits conferred upon the area subject to annexation.
7. Annexation of all or a part of the property to an adjacent municipality would not better serve the interests of the residents who reside in the area subject to annexation.
8. The area primarily and substantially interested in or affected by the Board order only includes that area subject to annexation.
9. Although this annexation proceeding has not been initiated by a petition of a majority of property owners, the area "primarily and substantially interested in or affected by the Board order" has no resident voters. Therefore, the referendum requirement (M.S. 414.031, Subd. 5) is inapplicable in this proceeding.
10. An order should be issued by the Minnesota Municipal Board annexing the area described herein.
