INSTRUCTIONS ISSUED BY OFFICE OF SECRETARY OF STATE

The foregoing form is in accordance with M. S. A. Section 574.13, the laws of Minnesota, and has been prepared by the Secretary of State, Public Examiner and Attorney General. If additional forms are needed in whole or in part, they must conform, as near as may be, to the language herein used. If personal sureties are offered, there must be at least two who are residents of, and freeholders in, the State of Minnesota. Personal sureties must sign as individuals. A co-partnership, as such, will not be accepted as a surety. Given names in all cases must be written in full. Sureties are required to justify before some officer qualified to administer oaths in such amount as will in the aggregate equal double the amount of the penalty named in the bond. Each surety must state under oath that he is worth the amount for which he justifies, above his debts and other liabilities and exclusive of his property exempt from execution.

Oaths and acknowledgments may be taken before any officer mentioned in M. S. A. Section 358.15. If before a notary public, such notary must state the date of the expiration of his commission. Officers having a seal must attach the same each time the officer signs officially.

In order to expedite the filing of county officers' bonds, and to prevent error, this bond, before approval by the county board, should be submitted to the county attorney, who is requested to examine the same, and if found correct, to endorse his official approval thereon.

After execution, this bond must be approved by the county board, or other official board, filed for record in the office of the register of deeds and recorded therein, at the expense of the county, and must then be forwarded to the Secretary of State at St. Paul, Minnesota.

Auditors are requested to sign the certificate in all cases when the surety is a corporation.

Corporation sureties will be expected to acknowledge hereon, and need not use a separate slip acknowledgment. When acknowledgment by such surety is made in the form indicated the same is prima facie evidence of the facts therein recited, that this bond was executed by authority of its board of directors, or trustees, and that the execution and delivery thereof was authorized by law.

The principal or officer, in all cases, must acknowledge, as indicated; personal sureties must likewise acknowledge as indicated and justify as indicated. Corporate sureties need not justify or acknowledge other than as indicated.

Auditors will please observe that all blanks are filled, where possible, before the approval of this bond by the county board, or other official board.
