MEMORANDUM OF AGREEMENT, made and entered into this twelfth day of November, 1926, by and between The Reuben H. Donnelley Corporation, hereinafter referred to as the Company, and the State of Minnesota, hereinafter referred to as the State, witnesseth, that it is mutually agreed between the parties hereto as follows:

The state agrees to furnish and deliver to the Company by mail during 1927, one copy of all 1927 registrations file cards as it comes from the "Ditto" machine in the regular course of the registration procedure in the Motor Vehicle Department. The State agrees to send out to the Company by mail at the close of each day's business, copies of all registrations file cards that were duplicated by the ditto machine that day.

For these copies and this service the Company agrees to pay weekly at the rate of Four Dollars (\$4.00) per thousand names of motor vehicle owners thus furnished.

The Company further agrees that in addition it will pay all postage charges on such shipment of copies.

It is further agreed that if the Company shall fail to accept and pay for such copies of registration file cards furnished by the State as herein provided, the State may at the discretion of the Secretary of State, rescind and declare such contract null and void and the State shall be considered to be damaged by such failure on the part of the company to fulfill this contract to the extent of the difference between the amount that the Company may by that time already have paid to the State and the total that would be paid under the terms of the contract for the complete copy of all the 1927 registration file cards. It is estimated that the total price of the copies of the 1927 registration file cards furnished by the State, under the terms of this contract will be approximately Two Thousand Dollars (\$2,000) and the Company will furnish a bond to the State in that amount, conditioned for

the faithful fulfillment of the Company's part of the contract, such bond to be executed and delivered contemporaneously with the execution of this agreement.

IN WITNESS WHEREOF, the State has caused this agreement to be executed in its behalf by the Secretary of State and the Company has caused it to be signed in its behalf by its proper officers the day and year first above written.
