EXECUTIVE COMMUNICATION.

The following communication was received from the Governor:

STATE OF MINNESOTA,
EXECUTIVE DEPARTMENT,

ST. PAUL, March 5, 1879.

Hon. J. B. Wakefield,
President of the Senate:

Sir:—I have the honor to return herewith without my approval:
S. F. No. 354, entitled "An act to amend an act, entitled an act to reduce the law relative to public schools in the city of St. Paul into one act and to amend the same, being chapter fifty-seven (57), of the Special Laws of one thousand eight hundred and seventy-six (1876)."
My signature is withheld from this bill on account of the numerous errors which occur in it. It purports to amend chapter 57, of the Special Laws of 1876, which chapter provides for the issuing of bonds to fund the floating indebtedness of Murray county, while the intention was to amend chapter 87, of the Special Laws of that year. But admitting that from the title of the act it may be clearly inferred that the intention was to amend said chapter 87, it purports to amend certain sections, by striking out words in certain lines of said sections which are not to be found therein but occur in other lines of the same sections. These mistakes lead to uncertainty and may lead to litigation, and for that reason I deem it my duty to withhold my approval from the bill.

Very respectfully,
J. S. PILLSBURY, Governor.

Mr. Gilfillan C. D., introduced—
S. F. No. 499, A bill to amend an act entitled "An act to reduce the law relative to public schools of the city of St. Paul into one act and to amend the same."
Which was read the first time.
Mr. Gilfillan C. D., moved that the rules be suspended, and
S. F. No. 449 be read the second and third times and put upon the final passage.
Which motion prevailed.
