EXECUTIVE COMMUNICATIONS.

The following communication was received from His Excellency the Governor:

STATE OF MINNESOTA, EXECUTIVE OFFICE.
ST. PAUL, March 1, 1883.

HON. L. FLETCHER,

Speaker House of Representatives.

SIR:—I herewith return without my approval

H. F. No. 64, An act to revive and continue an act entitled an act to appropriate the interest of the State in certain lands to aid in the construction of the Princeton and Anoka railroad company and to legalize the organization of said company, approved March 7, A. D., 1878.

This act revives and continues chapter 243 of the special laws of 1878; it is therefore in effect the re-enactment of that law. The law of 1878 is so uncertain as to the character of the lands designed to be conveyed by it, as to the location of such lands, and as to the nature of the lien or title of the State intended to be conveyed by it, that I deem it my duty to withhold my approval.

The act, as it seems to me, should be certain and definite as to each and all of these points.

Very respectfully,

L. F. HUBBARD,
Governor.

On motion of Mr. Buck,
H. F. No. 64,
Was laid upon the table.
