EXECUTIVE AND OFFICIAL COMMUNICATIONS.

STATE OF MINNESOTA,
EXECUTIVE DEPARTMENT.
St. Paul, March 12, 1929.

Hon. W. I. Nolan, President of the Senate.

Sir: I am returning herewith without approval Senate File No. 115, “A bill for an act to provide an additional judge for the district court of the sixteenth judicial district of the State of Minnesota.”

Two years ago, in vetoing a similar measure, I said: “A proper redistricting of the State to insure a better distribution of judges would obviate the conditions which this bill is designed to remedy. The Legislature at its next session should set itself to the task of effecting such redistricting.”

In agreement with this suggestion the Senate on March 11, 1929, by
an almost unanimous vote adopted a resolution for the appointment of an "Interim Judicial Districts Committee" to investigate and report on the redistricting of the judicial districts of the State. I feel that in view of this action I could not give my approval to the present measure without embarrassing the Senate in its undertaking.

It is admitted by those who have sponsored the present bill that not to exceed one-half of the time of the additional judge would be required in the Sixteenth Judicial District. If this is true, it will not be more difficult to assign outside judges to clear the calendar in the Sixteenth District than it would be to assign the spare time of an additional judge in the Sixteenth District to other districts. There is no contention that the number of judges in the State as a whole is insufficient to take care of the work required. Such difficulty as exists is due to the improper distribution of judges, and this the Senate has undertaken to correct.

Respectfully yours,

THEODORE CHRISTIANSON,
Governor.
