EXECUTIVE AND OFFICIAL COMMUNICATIONS.
STATE OF MINNESOTA
Executive Department
Saint Paul
April 17th, 1939

Hon. L. M. Hall, Speaker of the House of Representatives:
State Capitol
Dear Sir:

I am returning to you, without my approval, H. F. No. 702. I object to the bill on the ground that I do not approve of the extending of the hours during which intoxicating liquor may be sold "Off-Sale" from eight o'clock to ten o'clock P.M.

After careful consideration, I have concluded that the effect of the bill would be to increase the use of liquor, particularly in bottles in conjunction with pleasure riding automobile rides.

I recognize that there are some situations, particularly in rural sections, where the change in closing hours provided in H. F. No. 702 would be only a matter of proper convenience but I believe that the evil effects as a whole far outweigh these considerations.

Respectfully submitted,

HAROLD E. STASSEN,
Governor.
