EXECUTIVE COMMUNICATIONS.

STATE OF MINNESOTA,
EXECUTIVE DEPARTMENT.
Saint Paul, April 14, 1941.

Hon. Lawrence M. Hall, Speaker of the House of Representatives:

Sir:

I am returning to you without my approval, H. F. No. 507. I object to the bill on the ground that the bill would give an entirely unfair and un-democratic advantage to all incumbents in office in any election, since the bill is so broad that it would mean that if a candidate in a county or local election had the same surname in the same election as a candidate on a state-wide ballot in the same election, they could both add additional words to their names, which would include such language as "present judge" or "present governor".

I believe the law as it now stands and as interpreted by the Attorney General gives ample opportunity to protect against any actual confusion of names, and this extension would, in fact, lead to more confusion and to a widespread use of advertising words following the name of the candidate on the ballot.

Respectfully submitted,

HAROLD E. STASSEN,
Governor.

The above veto message was received by the House at 11:30 o'clock A.M., Monday, April 14, 1941.

MOTIONS AND RESOLUTIONS—CONTINUED.

Mr. Antila moved that the veto message be laid on the table.

Which motion prevailed and it was so ordered.
