PETITIONS AND COMMUNICATIONS

The following communication was received:

STATE OF MINNESOTA

EXECUTIVE OFFICE

St. Paul 1

April 13, 1961

The Honorable E. J. Chilgren
Speaker of the House
State Capitol
St. Paul, Minnesota

Dear Sir:

I am returning herewith, H. F. No. 837, a bill for an act relating to the village of Island View, Koochiching County, authorizing the issuance of an additional license for the sale of intoxicating liquor, without my approval.

It is understood that this measure is sought in order to grant an on-sale liquor license to a particular private establishment. I have never approved of the legislature, in effect, issuing private liquor licenses.

In the present instance, I do not know what justification there is for approving this measure that could not be duplicated by dozens of other situations where a liquor license is not now

available. If we grant one, we must grant all. If there is a general situation needing correction, general legislation is the solution.

My attitude would be the same on other bills pending where the granting of special liquor licenses to private parties is involved. My disapproval in no way should reflect discredit on the sponsors of this or similar bills. I must take a statewide not a local view.

Sincerely yours,

ELMER L. ANDERSEN, Governor

In conformity with Article IV, Section 11, of the Constitution of the State of Minnesota, Mr. Cina moved that the House proceed to the reconsideration and repassage of H. F. No. 837, the objections of the Governor notwithstanding. The motion prevailed.
