RUDY PERPICH
GOVERNOR

April 26, 1984

Speaker Harry Sieben, Jr.
House of Representatives
Saint Paul, Minnesota

Dear Speaker Sieben:

I have today vetoed House File 1985, a bill for an act relating to the regulating and licensing of salons for estheticians.

This bill would establish a new class of beauty salon and would permit their operation without the direction and supervision of a licensed and qualified cosmetologist. The current statutory requirement that activities of estheticians be under the management of a cosmetologist is, I believe, a good one. It is designed to ensure the protection of the public's health and well-being and should be continued. The argument for this kind of unnecessary tampering with current statute has not been adequately made. Accordingly, I am returning House File 1985 to you unsigned.

Sincerely,

RUDY PERPICH
Governor
