

The Honorable Allan H. Spear
President of the Senate

Dear President Spear:

I have vetoed and I am returning Chapter 237, Senate File 538/House File 796, a bill requiring refund of certain state agency license fees.

Promptness is clearly an issue and the intent of this bill contains considerable merit. Rest assured, that everything will be done to provide for administrative promptness relative to the public's needs. I do not believe that expensive legislation is in the best interest of the public. Nor do I think it proper for the legislature to mandate such penalties on the executive branch of government for tardiness while, at the same time, ignoring their own failure to conclude the public's business within the constitutional time frame.

Warmest regards,
Arne H. Carlson, Governor
