

The Honorable Allan H. Spear  
President of the Senate

Dear President Spear:

It is my honor to inform you that I have received, approved, signed and deposited in the Office of the Secretary of State, Chapter 384, Senate File Number 3297, (with the exception of page 4, section 4, lines 47-57, and page 5, section 4, lines 1-14).

I have line-item vetoed two appropriations of \$250,000 to the University of Minnesota for the law clinics and Project Inform.

The law clinic appropriation is disturbing because it ought to be a self-sustaining program. Promoting pro bono activities by law school students is a worthy goal, and should be financially supported within the Law School budget.

Project Inform attempts to address the shortage of high school counselors in Minnesota. I believe that the Department of Children, Families and Learning should be involved in such important K-12 activities, and object to their non-involvement in this proposed solution.

Warmest regards,  
Arne H. Carlson, Governor
