The Honorable Margaret Anderson Kelliher  
Speaker, Minnesota House of Representatives  
463 State Office Building  
St. Paul, MN 55155

Dear Speaker Anderson Kelliher:

I have vetoed and am returning House File 330, Chapter 112.

The Legislature has taken action on numerous bills relating to homeowner warranties this session. Although this legislation may be well-intentioned, we should be cautious about placing more burdens on the housing sector during this historic recession.

This legislation increases the time frame in which a homeowner can make a warranty claim from six months to one year. Not reporting a construction-related problem in a timely manner could exasperate the problem and increase costs. A contractor should be notified as soon as possible if a problem exists with the construction so the issue can be rectified expeditiously.

I encourage the authors to work towards a solution that addresses the issue of home defects without driving up the costs and burdens on contractors.

Sincerely,

Tim Pawlenty  
Governor
Speaker Kelliher/HF 330
