St. Paul, Minnesota 55155

YEARLY LISTING OF ALL EXECUTED DESIGN-BUILD CONTRACTS

*Minnesota Statutes 161.3428* requires the Commissioner of Transportation to submit to the Governor, the chairs of the House of Representatives, and the Senate committees with jurisdiction over transportation policy and finance, and the Legislative Reference Library a yearly listing of all executed design-build contracts. The report must identify the contractor, the contract amount, the duration, and the services to be provided. The list and summary must be sorted by contractor, show the aggregate value of contracts, and state the termination date of each contract.

Since September 1, 2005, the Minnesota Department of Transportation executed only one design-build contract. The contract was awarded to Lunda/Hoffman/Shafer (LHS) for \$36,829,912.04. The contract is for the design and construction of roadway and bridge improvements to TH 52 in Oronoco between 59<sup>th</sup> Avenue NW and 85<sup>th</sup> Street NW. The final acceptance date for the contract is May 30, 2008.

Please feel free to contact Jay Hietpas, Mn/DOT Design-Build Program manager at 651-296-5729 if you have questions about this design-build project.

Sincerely,

Carol Molnau  
Lt. Governor/Commissioner
