Facilities Cost Credit "2008"

In 1998 the Commission created the facilities cost credit to assist the MN Twins, MN Vikings and the University of Minnesota football Gophers in enhancing team revenues and/or reducing event day cost of operations in the Metrodome. Since 1999 the Commission has issued an annual payment to the MN Twins and the University of Minnesota football Gophers that is equal to the admissions tax paid by each team for their events in the Metrodome. At the request of the MN Vikings, the Commission has waived the required rent payment in lieu of the facilities cost credit. Although the facilities cost credit may not exceed admission tax amounts for each team's events, the tax is not waived or pledged to the teams.
