RE: Third Notice of Allotment Reductions Pursuant to M.S. 16A.152, Subd. 4

Dear Senators and Representatives:

The purpose of this letter is to update you on our progress in implementing the allotment reductions announced by the Governor. All of the allotment reductions have been implemented except for the reductions to FY 2011 local government aids, which we expect to be complete by mid-January, 2010.

This third notice provides information on the transactions necessary to implement the remaining unallotments to agency operating budgets for FY 2011. The attached table provides detail by agency, appropriation account, and fund.

Please direct any questions to Jim Schowalter, Assistant Commissioner for Budget Services.

Sincerely,

A handwritten signature in black ink that reads "Tom J. Hanson".

Tom J. Hanson  
Commissioner
