 Permitted by PUC refers to those permitted by the Minnesota Public Utilities Commission.

Includes known wind turbines locations. Sites were determined by review of sites that appear in the FAA Obstruction Database as of December, 2008 and verified against the Minnesota Air Photos 2008, collected as part of the U.S. Department of Agriculture's National Agriculture Imagery Program (NAIP).

Prepared for the Minnesota Department of Commerce Energy Facility Permitting by the Department of Administration's Land Management Information Center, Jan 2009.
