

# **MINNESOTA BOARD OF TEACHING**

## **BIENNIAL REPORT TO THE GOVERNOR**

**REPORT PERIOD  
JULY 1, 2008 THROUGH JUNE 30, 2010**

## **Clause A: GENERAL STATEMENT OF BOARD ACTIVITIES**

The Board of Teaching was created by Minnesota Legislature to provide leadership in teacher education programs, maintain standards for initial licensure, and assure that Minnesota has well-qualified, professional teachers to guide Minnesota students to academic excellence. The responsibilities and authorities of the Board are delineated in Minnesota Statute sections 122A.09 through 122A.18, and 214.

- The Board establishes and maintains standards for the preparation and licensure of teachers by assuring sound and relevant programs of teacher preparation, establishing and revising standards of licensure in instructional areas, approving licensure programs offered by teacher preparation institutions approved by the Board, implementing an assessment system for licensure and maintaining a system of continued professional growth through licensure renewal requirements.
- The Board provides leadership for improving teacher preparation and licensing through research and development on teacher licensure systems, beginning teacher programs, and the assessment of teaching skills.
- The Board addresses professional practice by suspending or revoking for cause any license issued by the Board, receiving complaints relative to Minnesota Statutes section 122A.20 and the Code of Ethics for Minnesota Teachers, and conducting investigations and processing complaints related to licensed personnel.
- The Board processes appeals resulting from denial of licensure and schedules contested case hearings. It also assists licensure candidates in disputes with preparation programs and determining their licensure qualifications.

The Board of Teaching has strengthened the preparation and licensing of teachers by establishing a system based on demonstrated competencies. The system focuses on standards and performance-based assessments as the criteria for granting licenses. It requires that all candidates for initial licenses complete teacher education programs. This licensure system will assure the public and the profession that beginning teachers have demonstrated the knowledge and skills needed to teach before they are licensed to practice independently.

The Board has the following standing committees: Executive, Standards and Rules, and Legislative. Task forces are frequently appointed to deal with specific issues such as teacher examinations, content area, licensure issues, and teacher education.

In addition, the Chair appoints two teacher members to serve as Disciplinary Committee members whose duties are to review complaints and results of investigations alleging or implying a violation of a statute or rule which the Board is empowered to enforce, and to make recommendations to the Executive Director and the Office of the Attorney General regarding any disciplinary action that should be taken against a teacher's license, and what action is appropriate.

Specific policies and procedures have been developed related to Board operations. Examples of such operating policies and procedures include:

1. guidelines for task force appointments and operations
2. guidelines for rule adoption
3. guidelines for granting waivers of licensure rules
4. guidelines to assist colleges and universities in the process of institutional approval
5. guidelines to assist colleges and universities in the process of program approval.

Minnesota Statutes section 122A.09 requires the Board of Teaching "To develop a Code of Ethics governing standards of professional practices, including areas of ethical conduct and professional performance and methods of enforcement." The Code of Ethics for Minnesota Teachers is found in Minnesota Rule 8700.7500.

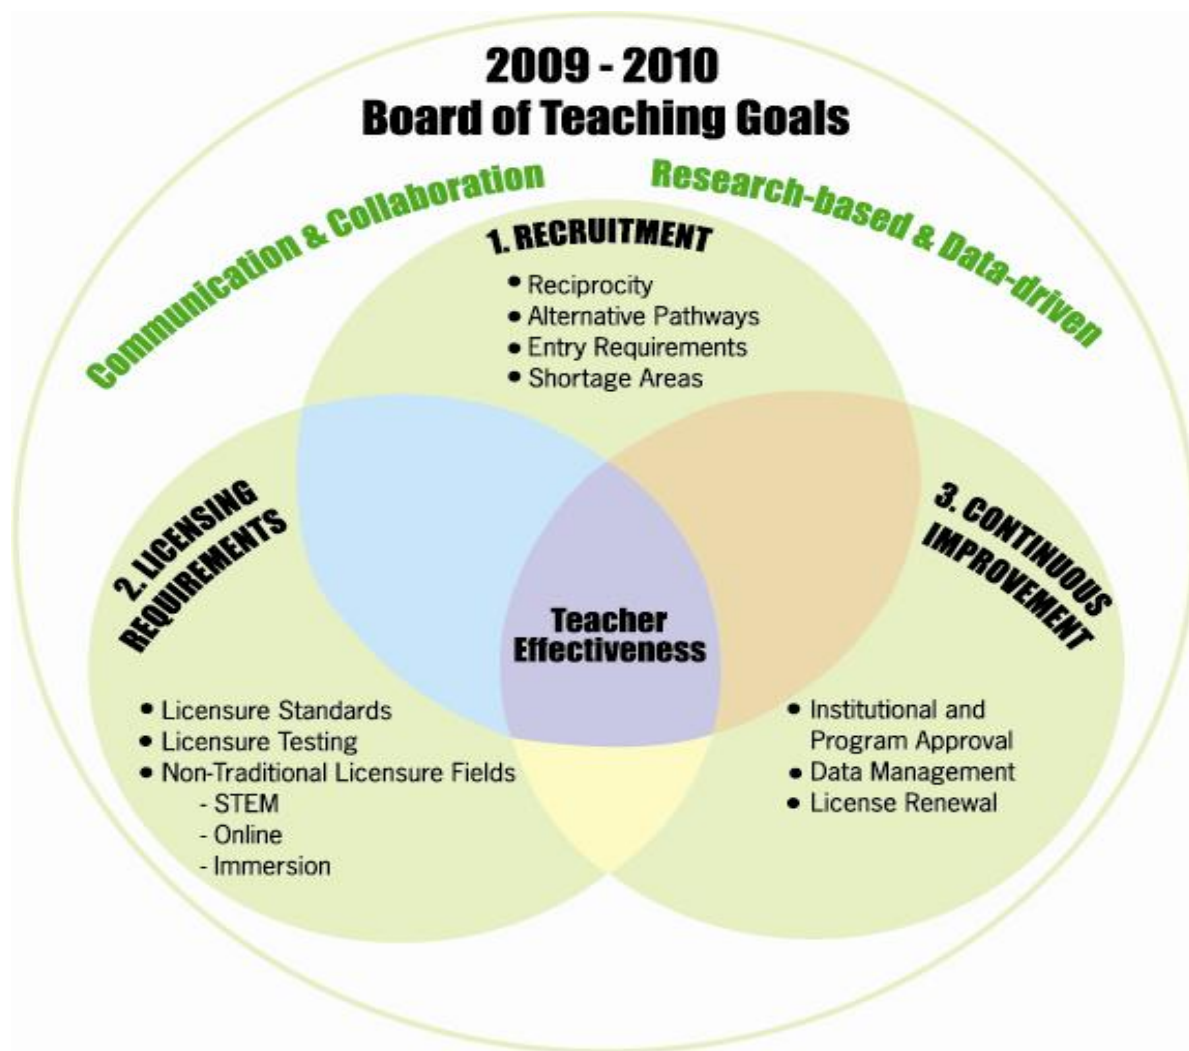

In accordance with Minnesota Statutes, the Board has implemented procedures for processing, investigating, and hearing complaints against licensed and unlicensed personnel in teaching. The Board has also established procedures related to the enforcement of the Code of Ethics. Minnesota Statutes Section 122A.20, subdivision 2, requires school districts to report to the appropriate licensing Board within 10 days of the following:

1. When any of its teachers are suspended or resign while an investigation is pending under any of the following:
  - a. Section 122A.40, subdivision 13, paragraph a, clauses (a), (b), (c), (d), and (e) (the Continuing Contract Law); or
  - b. Section 122A.41, subdivision 6, clauses (1), (2), and (3) (the Teacher Tenure Act for School Districts in Cities of the First Class); or
  - c. Section 626.556
2. When any of its teachers are discharged or resign after a charge is filed under either:
  - a. Section 122A.40, subdivision 13, paragraph a, clauses (a), (b), (c), (d), and (e); or
  - b. Section 122A.41, subdivision 6, clauses (1), (2), and (3).
3. When any of its teachers are suspended without an investigation under either:
  - a. Section 122A.41, subdivision 6, paragraph a, clauses (1), (2), (3), and (7); or
  - b. Section 626.556

When it is determined that grounds exist to suspend or revoke a teacher's license to teach, the Board must consider suspending or revoking, or decline to suspend or revoke the teacher's license, within 45 days of receiving a stipulation executed by the teacher under investigation or a recommendation from an administrative law judge that disciplinary action be taken.

In addition, procedures have been established by Board of Teaching rule whereby an individual who is denied issuance or renewal of a teaching license can appeal that denial. Similarly, a Minnesota college or university teacher preparation institution or program that is denied approval by the Board may appeal that decision. In both cases, the appellant is entitled to a hearing pursuant to Minnesota Statutes Chapter 14, with a final decision by the Board of Teaching.

To provide leadership in teacher education and professional practice, the following goals were adopted by the Board of Teaching.

### 2009-2010 BOARD OF TEACHING GOALS: TEACHER EFFECTIVENESS

These goal areas are not mutually exclusive; rather, they are highly interdependent. The purpose of investing in each of these areas is our foundational commitment to **TEACHER EFFECTIVENESS.**

Our energy and efforts will focus on three goal areas:

#### **RECRUITMENT**

1. **Reciprocity** – How can we encourage quality teachers from other states to become licensed in Minnesota without compromising our high standards?
2. **Alternative Pathways** – How can we invite high caliber individuals into the teaching field through non-traditional routes without compromising quality and in a way that complements our other preparation and licensure options?
3. **Entry Requirements** – How can we ensure that we are attracting strong candidates into teacher preparation programs?
4. **Shortage Areas** – How can we proactively address the licensure fields where we have a shortage of licensed teachers?

## **LICENSURE REQUIREMENTS**

1. **Licensure Standards** – What standards will best serve as the foundation for teacher preparation to ensure that teachers are well prepared to enter the classroom?
2. **Licensure Testing** – How can we leverage our testing requirements so that our tests serve as a meaningful measure in the preparation process?
3. **Non-Traditional Licensure Fields** – What appropriate licensure responses could be explored or developed to address needs in areas such as STEM, online, and immersion settings?

## **CONTINUOUS IMPROVEMENT**

1. **Institutional and Program Approval** – How can we improve our approval process to ensure candidate competence and adherence to Board rule while encouraging institutional autonomy and innovative practices in teacher education?
2. **Data Management** – How can we better gather and analyze data for use in informing policy decisions?
3. **License Renewal** – How can we ensure that our license renewal structure promotes meaningful ongoing professional development for Minnesota teachers?

## **CORE VALUES**

In all of these goals, our commitments are two-fold:

1. **Communication and collaboration are central to success in any of these goal areas.** We commit to proactive, transparent, and ongoing communication and collaboration with the legislature, Minnesota Department of Education, the higher education community, and our many critical stakeholders.
2. **Research and data must provide a foundation for all policy discussions and precede any policy decisions.** We commit to investing in the exploration of research and generation and analysis of data in all goal areas.

## **MN BOARD OF TEACHING MISSION**

The purpose of the MN Board of Teaching, an autonomous body, is to establish and maintain standards for a quality teacher licensing system for MN public schools.

## **MN BOARD OF TEACHING VISION**

The vision of the MN Board of Teaching will be to maintain high licensure standards while providing flexibility in the licensing process to assure that public school students have fully licensed teachers.

According to the provisions of Minnesota Statutes Section 214.04, the Board has, since 1976, entered into an annual agreement for provision of services with the Department of Education. Through this Agreement, the Board has established an efficient, effective, and fiscally responsible procedure to receive necessary services and staff assistance to carry out the statutory duties and responsibilities assigned to the Board.

**Clause C: The Receipt and Disbursement of Board Funds**

	<u>FY 2009</u>	<u>FY 2010</u>	<u>Total</u>
Total State Appropriations	\$674,404*	\$618,000**	\$1,292,140
Total Non-Dedicated Fee Receipts	\$1,616,064	\$1,584,942	\$3,201,006
Total Disbursements	\$674,404	\$591,750***	\$1,266,154

\*The Board was allocated \$632,000 for FY09. This amount, including the carryover from FY08 which was \$42,404, resulted in the Board having a final budget of \$674,404.

\*\*The Board was allocated \$632,000 for FY10. This amount was reduced by 2.25% due to budget cuts as part of the budget-balancing solution. This resulted in the Board having a final budget of \$618,000.

\*\*\* Due to budget cuts the Board had to lay off a staff member, which is the reason for unused funds.

Comments: The Board of Teaching generates non-dedicated revenue from teacher licensure fees set by the Board. This revenue returns to the General Fund to recover the cost of the operations of the Board of Teaching. It also includes the operations of the Educator Licensing Team of the Department of Education, which issues, as required by statute, all licenses granted under the authority of the Board of Teaching. Both activities receive General Fund appropriations.

Limited Licenses	3,253
Vocational Licenses	2,721

Note: Post secondary, adult vocational, and administrative licenses are not issued by this Board.

## **Clause H: Administration of Examinations by Board**

Legislation enacted in 1985 required the Minnesota Board of Teaching to adopt examinations for assessing skills in reading, writing, and mathematics for teachers licensed under its authority and to adopt rules for implementation and ongoing administration of the examinations.

In addition, effective September 1, 2001, examinations in content and pedagogy were adopted as requirements for first time applicants for teacher licensure in Minnesota. Minnesota licensed classroom teachers adding a new licensure field must take the specified content test but are not required to take a pedagogy test.

The Board has adopted Praxis I and Praxis II examinations administered nationwide by the Educational Testing Service (ETS) at least four times annually. Testing centers are conveniently located throughout the state.

## **Clause I: The number of persons examined by the Board.**

The Test Information Tables (Appendix A) show the number of persons examined by the Board for the Pre-Professional Skill Tests in reading, writing, and mathematics. Also included is Test Information for persons taking the Praxis II examinations in pedagogy and content areas.

This information is maintained for the 2001-09 period. The data also contains information subdivided by sex. Data for persons examined by the Board is not maintained on the basis of age and states of residency.

**Clause J: The number of persons licensed by the Board after taking the examinations.**

FY 09 & 10

Total number of persons granted licenses or registration (includes renewals and endorsements)	51,901
---	--------

Total number of persons taking exam and granted initial licensure	16,081
---	--------

**Clause K: The number of persons not licensed or registered by the Board after taking the examinations.**

FY 09 & 10

Total number of persons denied licensure - did not meet standards	860
---	-----

**\*NOTE - Clause J & K:** State residence is not a requirement for teaching licensure in Minnesota. Data are not maintained on the basis of residence, age, or sex. To maintain such data would require a substantial budget increase for the Minnesota Board of Teaching administrative services.

**Clause L: The number of persons not taking examinations who were licensed or registered by the Board or who were denied licensing or registration with the reason for the licensing or registration or denial thereof.**

Minnesota Rules, Part 8710.0500, subpart 1, provides that all applicants for initial licensure must provide official evidence of having successfully completed examinations in reading, writing, and mathematics. On or after September 1, 2001, all applicants for initial licensure must also provide official evidence of having successfully completed examinations in content and pedagogy. Therefore, no person would be licensed by the Board without having taken and passed the required tests.

**Clause M: Persons previously licensed or registered by the Board whose licenses or registrations were revoked, suspended or otherwise altered in status, with brief statements of the reasons for the revocation, suspension or alteration.**

**Clause P: State any other objective information which the board members believe will be useful in reviewing Board activities:**

Today, approximately 56,000 licensed teachers are serving in Minnesota public schools in over forty-five academic and special areas. Others are being prepared for their chosen profession in thirty-two approved teacher preparation institutions in this state. The Board of Teaching is continually looking at adding to or revising existing licensure rules that will reflect the changing needs of both students and the teaching profession.
