RE: **Annual Rules Report**

Minnesota Statutes § 14.05, subd. 5, directs state agencies to report to you by December 1 of each year whether any of their rules are obsolete, unnecessary, or duplicative of other state or federal statutes or rules. The Department of Employee Relations has reviewed its rules and found none that are obsolete, unnecessary, or duplicative of other state or federal statutes or rules.

We are currently in the process of revising rules related to the hiring process. The changes underway will better reflect the hiring process changes made in Laws of 2004, Chapter 207. Governor Pawlenty will receive these changes soon.

If you have any questions regarding this report, please contact Wendy Dwyer at 651-297-3859.
