Subject: Report of obsolete rules – December 1, 2006

The Board of Pharmacy periodically reviews Minnesota Rules Chapter 6800 which pertains to the regulation of pharmacists, pharmacy technicians, pharmacies, drug wholesalers, drug manufacturers, and controlled substance researchers. The Board is in the final stages of adopting a large package of rules changes. Once the proposed rules are adopted, the rules in Chapter 6800 will be applicable and will not be obsolete, unnecessary or duplicative.
