Subject: Annual Report on Obsolete, Unnecessary, or Duplicative Rules, as Required by Minnesota Statutes, Section 14.05, Subdivision 5.

Minnesota Statutes, section 14.05, subdivision 5, states:

"By December 1 of each year, an agency must submit to the governor, the legislative coordinating commission, the policy and funding committees and divisions with jurisdiction over the agency, and the revisor of statutes, a list of any rules or portions of rules that are obsolete, unnecessary, or duplicative of other state or federal statutes or rules. The list must also include an explanation of why the rule or portion of the rule is obsolete, unnecessary, or duplicative of other state or federal statutes or rules. By December 1, the agency must either report a timetable for repeal of the rule or portion of the rule, or must develop a bill for submission to the appropriate policy committee to repeal the obsolete, unnecessary, or duplicative rule. Such a bill must include proposed

authorization to use the expedited procedures of section 14.389 to repeal or amend the obsolete, unnecessary, or duplicative rule. A report submitted under this subdivision must be signed by the person in the agency who is responsible for identifying and initiating repeal of obsolete rules. The report also must identify the status of any rules identified in the prior year's report as obsolete, unnecessary, or duplicative. If none of an agency's rules are obsolete, unnecessary, or duplicative, an agency's December 1 report must state that conclusion."

In the year 2000, we identified the following rules as obsolete, unnecessary, or duplicative and stated that they should be repealed:

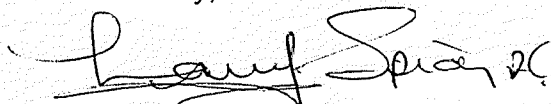

- Minnesota Rules, chapter 2500.2050 – License Status Inactive Retired.
- Minnesota Rules, chapter 2500.2060 – Annual Renewal of Inactive Retired Status
- Minnesota Rules, chapter 2500.2070 – Reinstatement of Inactive Retired Status

These rules were identified as obsolete, unnecessary, or duplicative because the license status "Inactive Retired" has been replaced by the status "Voluntarily Retired" and is no longer used; the status "Inactive Retired" is not currently assigned to any licensee in Minnesota. Our timetable for repeal was stated as mid-2001. These rules were repealed by legislative action during the 2001 Legislative Session.¹

During the year 2001 we have identified no additional rules as obsolete, unnecessary, or duplicative.
