Notes:

- (1) All loans can be prepaid subject to Agency approval. For prepayment provisions on related Bonds, see Bonds Outstanding and Summary of Special Redemption Provisions.
- (2) Amounts listed under the heading "reserves" are pledged by the project owner under the project regulatory agreement. The reserve can be applied for project purposes under the regulatory agreement, and are paid to the owner when the mortgage loan is paid or prepaid in full. The reserves are not pledged as security under the Bond Resolution. The real estate tax and insurance reserves are excluded.
- (3) Refinancings of existing 236 projects: The original interest reduction payments have not been increased to cover the additional debt service and are for less than the maximum term of the mortgage.
- (4) This loan was originated under the Market Rate program. After a November 2007 loan modification and assumption, however, the development became permanent supportive housing.
- (A) Initial 20 year Section 8 contract expired, contracts renewed in one to five year increments.
