Subject: Annual Report on Obsolete, Unnecessary or Duplicative Rules as Required by  
Minnesota Statutes, Section 14.05, Subdivision 5

Dear Governor Dayton, Senators, Representatives, Director Hubinger and Revisor Timmons:

Minnesota Statutes, section 14.05, subdivision 5, directs the Racing Commission to report to you by December 1 of each year whether any of its rules are obsolete, unnecessary, or duplicative of other state or federal statutes or rules. The Racing Commission reports as follows:

The Minnesota Racing Commission reviews and proposes rule changes on an annual basis. During this process, the Commission is always mindful of rules that are not needed for one reason or another. At this time, the Racing Commission concludes that there are no rules that have become obsolete, unnecessary or duplicative over the course of the last year.

Please let me know if I can provide further assistance.

Regards,

Marlene Swanson  
Rulemaking Coordinator
