RE: Annual Report on Obsolete, Unnecessary, or Duplicative Rules as Required by Minnesota Statutes,  
Section 14.05, Subdivision 5

Dear Governor Dayton, Senators, Representative, Revisor Timmons, and Mr. Hubinger:

Minnesota Statutes, section 14.05, subdivision 5, directs agencies to report to you by December 1 of each year whether any of its rules are obsolete, unnecessary, or duplicative of other state or federal statutes or rules.

The Gambling Control Board concluded a rulemaking process in June 2014. During the process the rules were reviewed for obsolete, unnecessary, or duplicative rules. Since that time, one obsolete reference has been found. That reference is in Minn. Rules, Part 7861.0230, Subp. 9, item A, subitem (1). The reference should be to item D rather than F. This will be corrected in a future rulemaking process; no other obsolete, unnecessary, or duplicative rules have been found.

Please let me know if you have questions.

Sincerely,

A handwritten signature in cursive script that reads "Peggy Mancuso".
