## Patrol Division

The St. Louis County Sheriff's Office provides patrol service to the citizens of St. Louis County. The patrol division is the largest division of the department.

- ▀ **Call Response:** Deputies respond to all calls for service within the county and perform a broad range of activities which include investigating crimes such as disturbances, domestic violence incidents, suspicious persons and vehicles; answering calls for assistance; responding to accidents; administering first aid to the injured; transporting prisoners and individuals with mental disorders. Deputies also serve civil papers and arrest warrants.
- ▀ **Work Schedule:** Patrol deputies work four days/twelve-hour shifts on a four days on, four days off rotation.
- ▀ **Special Activities:** In addition to their regular duty assignments, deputies also have opportunities to explore interests and develop new skills. These activities include such department-wide functions as: background investigations of potential deputy sheriff candidates; field training officers for newly hired deputies; Boat and Water Safety; snowmobile patrol; DWI saturation patrol; illegal drug investigation; arson investigation; and membership on the Emergency Response Team (ERT).
