Dear Senators & Representatives:

Pursuant to Minnesota Statutes 43A.04 Subdivision 12, the following is the link to the Executive Branch Total Compensation Report: <http://mn.gov/mmb/images/2016-total-compensation-rpt.pdf>. Due to the size of the report, we did not print hard copies; however, we will provide you one if requested. We also will provide the report in electronic format (Excel, Word, etc.) upon request.

The Executive Branch Total Compensation Report includes all Executive Branch employees including Constitutional Offices. The report does not include the State Retirement Agencies or Judicial and Legislative Branches. All Department of Public Safety special agents and all other protected individuals, as well as their salaries, are excluded from this report.

Executive Branch Total Compensation Report
Page Two
January 15, 2016

The Executive Branch Total Compensation report summarizes potential compensation costs for calendar year 2016. The report provides data on salary, insurance, FICA, retirement and other insurance benefits. The data is listed by department and employee name and reflects conditions as of January, 2016. It should be noted that the report provides a very rough estimate of compensation costs in 2016. It does not factor in staff retirements, terminations, hiring, promotions/staff movements or upcoming compensation changes.

A note about employees with multiple jobs (holding a position in more than one agency):

Employees with multiple jobs are shown with their corresponding dollars under each agency's section. If an employee holds multiple jobs, and is insurance eligible, the complete cost of insurance benefits, deferred compensation, and health care savings plan contributions for the employee may be listed for each position they hold in this report: however, the employee is only receiving the benefit once.

If you have questions about this report or you have difficulty opening the link, please email Bruce.Yurich@state.mn.us or contact him at 651-259-3790.

Sincerely,

Myron Frans
Commissioner
