**I. YEAR IN REVIEW**

Rule 1.10, Rules of the Minnesota Client Security Board, provides:

At least once a year and at such other times as the Supreme Court may order, the Board shall file with the Court a written report reviewing in detail the administration of the Fund, its operation, its assets and liabilities.

This twenty-ninth annual report of the Minnesota Client Security Board covers the Board’s fiscal year, FY2016, which began July 1, 2015, and ended on June 30, 2016.

The Client Security Board approved eleven (11) claims this year involving nine attorneys, in the total amount of \$53,516.37 (see Appendix 1, A. 1-2).<sup>1</sup> Sixty-one (61) new claims were filed this fiscal year. Fifty-seven (57) claims were carried over from the previous year. In addition to the eleven (11) claims which were approved for payment, twenty-two (22) claims were denied. At the end of June 2016, eighty-four (84) claims against thirty-four (34) different lawyers remain pending before the Board. In some instances, related disciplinary or civil proceedings are pending, completion of which the Board is awaiting prior to being able to resolve the claim. Overall, after twenty-nine years of approving claims, the Board has now paid \$7,426,183.69 on 578 claims against 169 lawyers (see Appendix 4, A. 5-10).

The Fund continues to be fiscally healthy.

**II. THE CLIENT SECURITY BOARD AND ITS PROCEDURES**

**Board Members.** As of June 30, 2016, the following individuals served on the Board (see Appendix 3, A. 4):

<u>Name</u>	<u>City</u>	<u>Term Expires</u>
Robert B. Bauer, Chair	Apple Valley	June 30, 2019 (second term)
Kathleen Clarke Anderson	Minneapolis	June 30, 2017 (second term)
Gregory M. Bistram	Minneapolis	June 30, 2017 (first term)
Amber N. Garry	Minneapolis	June 30, 2018 (first term)
Mary L. Medved	Blaine	June 30, 2016 (second term)
Daniel A. Tollefson	Becker	June 30, 2018 (second term)
Stuart T. Williams	Minneapolis	June 30, 2017 (first term)

Robert B. Bauer, a private attorney from Minneapolis, Minnesota, served as the Board's Chair for the past year. Mr. Bauer, an MSBA nominee, was reappointed to serve a second term on the Board. Mary Medved, a public member, completed her second term and will be leaving the Board. Ms. Medved's dedication to the lawyer discipline and client protection systems was evidenced by her thoughtful consideration of claims.

The MSBA nominates three of the five attorney members; currently, Mr. Bauer, Mr. Tollefson and Mr. Williams are the MSBA nominees. Ms. Medved and Ms. Anderson are the Board's current public members. The Court recently appointed Nancy Helmich to replace departing public member Ms. Medved. The Board's liaison justice from the Court is Justice David R. Stras.

**Funding and Budget Procedures.** Most lawyers in Minnesota, who pay lawyer registration fees, pay \$12 per year to support the Fund. In 1998, the Supreme Court recommended informal parameters for the Fund of \$1.5 million and \$2.5 million, with the Board to report to the Court if the Fund drops below or exceeds these figures. The Board projects fiscal year-end balances of approximately \$4.15 million in June 2016 and \$4.1 million at the end of June 2017. This is above the Court's recommended parameters and has been reported to the Court.

The Board does not directly handle any funds or the investment of the Fund. The assessment is collected through the Office of Lawyer Registration and placed into a segregated fund within the State Treasury. This past year, the assessment generated

approximately \$341,772. The Board also received approximately \$21,664 in interest income and approximately \$41,832 in restitution payments from lawyers on whose behalf claims have been paid.

The Board anticipates total income from all sources this coming year of approximately \$408,756. The Board has budgeted \$441,000 in total expenditures for next year. Based upon the information presently available to the Board concerning pending claims or known potential claims, the Board budgeted \$350,000 for claim payments next year. The Board has budgeted \$91,000 for all non-claim expenses, including staff services, supplies, and representation at national client protection conferences. In most years, the Board has spent less than the budgeted amount on non-claim expense items. (Appendix 2, A. 3.)

**Administration.** The Office of Lawyers Professional Responsibility provides staff services to the Client Security Board. Susan M. Humiston was named as the Director of the Client Security Board in March 2016. Assistant Director, Julie E. Bennett, and paralegal, Julie A. Staum, handle the day-to-day operations of the Fund including contact with respondents and claimants.

Following each meeting, the Board issues a press release regarding claims approved pursuant to the Board's policy. The press releases are also posted on the Board's website to provide public information about the Board's activities. The website also contains answers to frequently asked questions (FAQs), the Board's rules, the claim form, staff directory, copies of the current and past annual reports and an updated list of attorneys against whom claims have been paid, similar to that at Appendix 4 (A. 5-10). The website also has links to articles written about the Client Security Board.<sup>2</sup>

has paid claims, or against any third persons from whom payments may be legally obtained. Assistant Attorney General Scott Grosskreutz represents the Board in subrogation matters. The Board pays no attorney fees for this representation, but is responsible for direct costs of collection efforts and litigation. Where appropriate, the Attorney General also assists the Board in being listed as a victim in criminal restitution orders.

Also as a part of the collection process, the Board may forward matters to the Minnesota Department of Revenue (MDOR), which has a division created to assist government agencies in their collection work. Although the Attorney General continues to handle most matters for the Board that are contested, or that appear capable of prompt resolution, other matters are referred to MDOR. The referrals to MDOR are made electronically, thereby allowing referrals to be made more quickly.

**Claims Procedure.** Claims are initiated by the submission of a claim to the Director's Office on forms approved by the Board. The forms are provided to the claimant along with a brochure which explains the process. The claim form, brochure and copies of the Board's rules are also available via the Board's website. The claim form and brochure are available in English and Spanish.

After a claim is submitted, the respondent attorney is provided an opportunity to respond in writing. The Board also has access to all lawyer disciplinary files, from which considerable information may be obtained.

The rules provide that claimants are expected to pursue reasonably available civil remedies. In order to avoid hardship and provide prompt claim resolution and payment, the Board may exercise its discretion by waiving this requirement when it is already known that the Attorney General will be pursuing litigation against the attorney under the Board's subrogation rights.

Generally, attorney disciplinary proceedings against the respondent attorney will have been completed before any Client Security Fund payment is made. The Board

relies heavily, although not exclusively, upon findings made in related lawyer disciplinary actions, or in related civil or criminal cases, whenever possible. The Board has no aggregate limits on the amount that may be paid on a lawyer's behalf. The maximum payment per claim is \$150,000, one of the highest limits in the country. It appears to remain a sufficient maximum amount at this time.

If a claim is denied, the claimant and respondent are notified in writing of the Board's determination and reasoning. The claimant has the right to request reconsideration and a discretionary meeting with the Board, so that all claimants have a full opportunity to present the merits of their claim.

### III. GOALS AND OBJECTIVES

No major funding issues are anticipated this coming year. The Board has experienced members who continue to provide sound leadership. The Fund's principal goal is to provide as close to 100 percent payment to 100 percent of the valid claims, subject to the Board's maximum payment of \$150,000. Prompt resolution of claims following disciplinary or criminal proceedings is the other major goal for the Board every year and will be a particular emphasis in the coming fiscal year.

Respectfully submitted,

Dated: June 30, 2016.
