Dear Committee Members:

Minnesota Statute 270C.711 requests the Department of Revenue to provide an annual report on the status of the acquisition and resale of seized property program.

The Department of Revenue will seize a debtor's assets after thorough consideration of the particular situation to ensure the seizure is appropriate and in the State's best interest. During the timeframe of this report the Department of Revenue seized one vehicle and three recreational vehicles for a recovery of \$6,970.00 that was applied to tax debt owed.

Sincerely,

Terri Steenblock  
Assistant Commissioner for Individual Taxes
