To help effectuate these goals, Minnesota State Colleges and Universities is committed to a policy of equal opportunity and nondiscrimination in employment and education.

**Subpart B. Nondiscrimination.** No person shall be discriminated against in the terms and conditions of employment, personnel practices, or access to and participation in, programs, services, and activities with regard to race, sex, color, creed, religion, age, national origin, disability, marital status, familial status, status with regard to public assistance, sexual orientation, gender identity, or gender expression. Harassment on the basis of race, sex, color, creed, religion, age, national origin, disability, marital status, familial status, status with regard to public assistance, sexual orientation, gender identity, or gender expression is prohibited. Harassment may occur in a variety of relationships, including faculty and student, supervisor and employee, student and student, staff and student, employee and employee, and other relationships with persons having business at, or visiting the educational or working environment.

This policy is directed at verbal or physical conduct that constitutes discrimination/harassment under state and federal law and is not directed at the content of speech. In cases in which verbal statements and other forms of expression are involved, Minnesota State Colleges and Universities will give due consideration to an individual's constitutionally protected right to free speech and academic freedom. However, discrimination and harassment are not within the protections of academic freedom or free speech.

The system office, colleges, and universities shall maintain and encourage full freedom, within the law, of expression, inquiry, teaching and research. Individuals who violate this policy shall be subject to disciplinary or other corrective action.

This policy supersedes all existing system, college, and university equal opportunity and nondiscrimination policies.

## **Part 2. Definitions.**

**Subpart A. Consensual Relationship.** Consensual relationship means a sexual or romantic relationship between two persons who voluntarily enter into such a relationship. Employees who are members of the same household should also refer to the Board Policy 4.10, of Trustees Nepotism policy 4.10.

**Subpart B. Discrimination.** Discrimination means conduct that is directed at an individual because of his or her protected class and that subjects the individual to different treatment by agents or employees so as to interfere with or limit the ability of the individual to participate in, or benefit from, the services, activities, or privileges provided by the system or colleges and universities or otherwise adversely affects the individual's employment or education.

**Subpart C. Discriminatory harassment.** Discriminatory harassment means verbal or physical conduct that is directed at an individual because of his or her protected class, and that is sufficiently severe, pervasive, or persistent so as to have the purpose or effect of creating a hostile work or educational environment.

As required by law, Minnesota State Colleges and Universities further defines sexual harassment as a form of sexual discrimination which is prohibited by state and federal law. Sexual harassment includes unwelcome sexual advances, requests for sexual favors, sexually motivated physical conduct, and other verbal or physical conduct of a sexual nature when:

- Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment or education, evaluation of a student's academic performance, or term or condition of participation in student activities or in other events or activities sanctioned by the college or university; or
- Submission to or rejection of such conduct by an individual is used as the basis for employment or academic decisions or other decisions about participation in student activities or other events or activities sanctioned by the college or university; or

- Such conduct has the purpose or effect of threatening an individual's employment; interfering with an individual's work or academic performance; or creating an intimidating, hostile, or offensive work or educational environment.

In addition, membership or activity in a local human rights commission is a protected class in employment.
- This policy prohibits use of protected class status as a factor in decisions affecting 96 education and employment where prohibited by federal or state law.

**Subpart F. Retaliation.** Retaliation includes, but is not limited to, intentionally engaging in any form of intimidation, reprisal or harassment against an individual because he or she:

- Made a complaint under this policy;
- Assisted or participated in any manner in an investigation, or process under this policy, regardless of whether a claim of discrimination or harassment is substantiated;
- Associated with a person or group of persons with a disability or are of a different race, color, creed, religion, sexual orientation, gender identity, gender expression, or national origin; or
- Made a complaint or assisted or participated in any manner in an investigation or process with the Equal Employment Opportunity Commission, the U.S. Department of Education Office for Civil Rights, the Minnesota Department of Human Rights or other enforcement agencies, under any federal or stated nondiscrimination law, including the Civil Rights Act of 1964; Section 504 of the Rehabilitation Act of 1973; the Minnesota Human Rights Act, Minn. Stat. Ch. 363A, and their amendments.

Retaliation may occur whether or not there is a power or authority differential between the individuals involved.

**Subpart G. Sexual harassment and violence as sexual abuse.** Under certain circumstances, sexual harassment or violence may constitute sexual abuse according to Minnesota law. In such situations, the system office and colleges and universities shall comply with the reporting requirements in Minnesota Statutes Section 626.556 (reporting of maltreatment of minors) and Minnesota Statutes Section 626.557 (Vulnerable Adult Protection Act). Nothing in this policy will prohibit any college or

university or the system office from taking immediate action to protect victims of alleged sexual abuse. Board Policy 1B.3 Sexual Violence addresses sexual violence.

**Subpart H. Student.** For purposes of this policy, the term “student” includes all persons who:

- Are enrolled in one or more courses, either credit or non-credit, through a college or university;

- Are living in a college or university residence hall although not enrolled in, or employed by, the institution.

**Part 3. Consensual Relationships.** An employee of Minnesota State Colleges and Universities shall not enter into a consensual relationship with a student or an employee over whom he or she exercises direct or otherwise significant academic, administrative, supervisory, evaluative, counseling, or extracurricular authority or influence. In the event a relationship already exists, each college and university and system office shall develop a procedure to reassign evaluative authority as may be possible to avoid violations of this policy. This prohibition does not limit the right of an employee to make a recommendation on personnel matters concerning a family or household member where the right to make recommendations on such personnel matters is explicitly provided for in the applicable collective bargaining agreement or compensation plan.

**Part 4. Retaliation.** Retaliation as defined in this policy is prohibited in the system office, colleges and universities. Any individual subject to this policy who intentionally engages in retaliation shall be subject to disciplinary or other corrective action as appropriate.

**Part 5. Policies and procedures.** The chancellor shall establish procedures to implement this policy. The equal opportunity and nondiscrimination in employment and education policy and procedures of colleges and universities shall comply with Board Policy 1B.1 and Procedure 1B.1.1.

---

## VI. MnSCU’S REPORT/COMPLAINT OF DISCRIMINATION/HARASSMENT INVESTIGATION AND RESOLUTION PROCEDURE

---

**Subpart A. Purpose.** This procedure is designed to further implement Minnesota State Colleges and Universities policies relating to nondiscrimination by providing a process through which individuals alleging violation of Board Policy 1B.1 Equal Opportunity and Nondiscrimination in Employment and Education may pursue a complaint. This includes allegations of retaliation, or discrimination or

harassment based on sex, race, age, disability, color, creed, national origin, religion, sexual orientation, gender identity, gender expression, marital status, familial status, or status with regard to public assistance. In addition, discrimination in employment based on membership or activity in a local human rights commission as defined by law is prohibited.

**Subpart B. Applicability.** This procedure shall apply to all individuals affiliated with Minnesota State Colleges and Universities, including its students, employees, and applicants for employment, and is intended to protect the rights and privacy of both the complainant and respondent and other involved individuals, as well as to prevent retaliation/reprisal. Individuals who violate this procedure shall be subject to disciplinary or other corrective action.

A single act of discrimination or harassment may be based on more than one protected class status. For example, discrimination based on anti-Semitism may relate to religion, national origin, or both; discrimination against a pregnant woman might be based on sex, marital status, or both; discrimination against a transgender or transsexual individual might be based on sex or sexual orientation.

Not every act that may be offensive to an individual or group constitutes discrimination or harassment. Harassment includes action beyond the mere expression of views, words, symbols or thoughts that another individual finds offensive. To constitute a violation of Board Policy 1B.1, conduct must be considered sufficiently serious to deny or limit a student's or employee's ability to participate in or benefit from the services, activities, or privileges provided by Minnesota State Colleges and Universities.

**Subpart C. Scope.** This procedure is not applicable to allegations of sexual violence; allegations of sexual violence are handled pursuant to Board Policy 1B.3 Sexual Violence and System Procedure 1B.3.1. In addition, harassment and discrimination complaints not arising from alleged violations of Board Policy 1B.1, are to be addressed under other appropriate policies and established practices.

**Part 2. Definitions.** The definitions in Board Policy 1B.1 also apply to this procedure.

**Subpart A. Designated officer.** Designated officer means an individual designated by the president or chancellor to be primarily responsible for conducting an initial inquiry, determining whether to proceed with an investigation under this procedure, and investigating or coordinating the investigation of reports and complaints of discrimination/harassment in accordance with this procedure.

Prior to serving as the designated officer, the individual must complete investigator training provided by the system office.

**Subpart B. Decisionmaker.** Decisionmaker means a high level administrator designated by the president or chancellor to review investigative reports, to make findings whether Board Policy 1B.1 has been violated based upon the investigation, and to determine the appropriate action for the institution

to take based upon the findings.

Prior to serving as a decisionmaker for complaints under this procedure, administrators must complete decisionmaker training provided by the system office.

**Subpart C. Retaliation.** Retaliation is as defined in Board Policy 1B.1 Equal Opportunity and Nondiscrimination in Employment and Education policy.

**Part 3. Consensual relationships.** Board Policy 1B.1 Equal Opportunity and Nondiscrimination in Employment and Education prohibits consensual relationships between an employee and a student or another employee over whom he or she exercises direct or otherwise significant academic, administrative, supervisory, evaluative, counseling, or extracurricular authority or influence, whether or not both parties appear to have consented to the relationship, except as noted.

Examples of prohibited consensual relationships include, but are not limited to:

- An employee and a student if the employee is in a position to evaluate or otherwise significantly influence the student's education, employment, housing, participation in athletics, or any other college or university activity (employee includes, for example, graduate assistants, administrators, coaches, advisors, program directors, counselors and residence life staff);
- A faculty member and a student who is enrolled in the faculty member's course, who is an advisee of the faculty member, or whose academic work is supervised or evaluated by the faculty member; and
- A supervisor and an employee under the person's supervision.

A faculty member or other employee is prohibited from undertaking a romantic or sexual relationship or permitting one to develop with a student or supervisee who is enrolled in the person's class or is subject to that person's supervision or evaluation.

If a consensual, romantic or sexual relationship exists between an employee and another individual and subsequent events create a supervisor/supervisee, faculty/student or similar relationship between them, the person with evaluative or supervisory authority is required to report the relationship to his or her supervisor so that evaluative functions can be reassigned if possible.

This procedure does not cover consensual relationships between individuals that do not require one to exercise direct or otherwise significant academic, administrative, supervisory, evaluative, counseling, or extracurricular authority or influence over the other.

This prohibition does not limit the right of an employee to make a recommendation on personnel matters concerning a person with whom they have a consensual relationship where the right to make recommendations on such personnel matters is explicitly provided for in the applicable collective bargaining agreement or compensation plan.

**Part 4. Reporting incidents of discrimination/harassment.**

**Subpart A. Reporting an incident.** Any individual who believes she or he has been or is being subjected to conduct prohibited by Board Policy 1B.1 is encouraged to report the incident to the designated officer. The report/complaint should be brought as soon as possible after an incident occurs.

Any student, faculty member or employee who knows of, receives information about or receives a complaint of discrimination/harassment is strongly encouraged to report the information or complaint to the designated officer of the system office, college, or university.

**Vermilion Community College Employees may file a complaint with:**

**Subpart B. Duty to report.** Administrators and supervisors shall refer allegations of conduct that they reasonably believe may constitute discrimination or harassment under Board Policy 1B.1 to the designated officer, or in consultation with the designated officer may inquire into and resolve such matters.

**Subpart C. Reports against a president.** A report/complaint against a president of a college or university shall be filed with the system office. However, complaints against a president shall be processed by the college or university if the president's role in the alleged incident was limited to a decision on a recommendation made by another administrator, such as tenure, promotion or non-renewal, and the president had no other substantial involvement in the matter.

**Subpart D. Reports against system office employees or Board of Trustees.** For reports/complaints that involve allegations against system office employees, the responsibilities identified in this procedure as those of the president are the responsibilities of the chancellor. Reports/complaints that involve allegations against the chancellor or a member of the Board of Trustees shall be referred to the chair or vice chair of the Board for processing. Such reports/complaints may be assigned to appropriate system personnel or outside investigatory assistance may be designated.

**Subpart E. False statements prohibited.** Any individual who is determined to have provided false information in filing a discrimination report/complaint or during the investigation of such a report/complaint may be subject to disciplinary or corrective action.

**Subpart F. Withdrawn complaints.** If a complainant no longer desires to pursue a complaint, the system office, colleges, and universities reserve the right to investigate and take appropriate action.

**Part 5. Right to representation.** In accordance with federal law and applicable collective bargaining agreement and personnel plan language, represented employees may have the right to request and receive union representation during an investigatory meeting.

Nothing in this procedure is intended to expand, diminish or alter in any manner whatsoever any right or remedy available under a collective bargaining agreement, personnel plan or law. Any disciplinary action imposed as a result of an investigation conducted under this procedure will be processed in accordance with the applicable collective bargaining agreement or personnel plan.

**Part 6. Investigation and Resolution.** The system office, college or university has an affirmative duty to take timely and appropriate action to stop behavior prohibited by Board Policy 1B.1, conduct investigations and take appropriate action to prevent recurring misconduct.

**Subpart A. Personal resolution.** This procedure neither prevents nor requires the use of informal resolution by an individual who believes he or she has been subject to conduct in violation of Board Policy 1B.1. In such a situation, the individual should clearly explain to the alleged offender as soon as possible after the incident that the behavior is objectionable and must stop. If the behavior does not stop or if the individual believes retaliation may result from the discussion, the individual should report to the designated officer. Under no circumstance shall an individual be required to use personal resolution to address prohibited behaviors.

**Subpart B. Information privacy.** Confidentiality of information obtained during an investigation cannot be guaranteed; such information, however, will be handled in accordance with applicable federal and state data privacy laws.

**Subpart C. Processing the complaint.** The designated officer must be contacted in order to initiate a report/complaint under this procedure. The scope of the process used in each complaint/report shall be determined by the designated officer based on the complexity of the allegations, the number and relationship of individuals involved, and other pertinent factors.

- **Jurisdiction.** The designated officer shall determine whether the report/complaint is one which should be processed through another system office, college or university procedure available to the complainant; if appropriate, the designated officer shall direct the complainant to that procedure as soon as possible.

- Conflicts. The designated officer should identify to the president or chancellor/designee any real or perceived conflict of interest in proceeding as the designated officer for a specific complaint. If the president or chancellor/designee determines that a conflict exists, another designated officer shall be assigned.
- Information provided to complainant. At the time the report/complaint is made, the designated officer shall:
  - Inform the complainant of the provisions of the Board Policy 1B.1 and this procedure;
  - Provide a copy of or Web address for Board Policy 1B.1 and this procedure to the complainant;
  - Determine whether other individuals are permitted to accompany the complainant during investigatory interviews and the extent of their involvement; and
  - Inform the complainant of the provisions of Board Policy 1B.1 prohibiting retaliation.
- Complaint documentation. The designated officer shall insure that the complaint is documented in writing. The designated officer may request, but not require the complainant to document the complaint in writing using the complaint form of the system office, college or university.
- Information provided to the respondent. At the time initial contact is made with the respondent, the designated officer shall inform the respondent in writing of the existence and general nature of the complaint and the provisions of the nondiscrimination policy. At the initial meeting with the respondent, the designated officer shall:
  - Provide a copy of or Web address for Board Policy 1B.1 and this procedure to the respondent;
  - Provide sufficient information to the respondent consistent with federal and state data privacy laws to allow the respondent to respond to the substance of the complaint;
  - Explain to the respondent that in addition to being interviewed by the designated officer, the respondent may provide a written response to the allegations;
  - Determine whether other individuals are permitted to accompany the respondent during investigative interviews and the extent of their involvement; and
  - Inform the respondent of the provisions of Board Policy 1B.1 prohibiting retaliation.
- Investigatory process. The designated officer shall:
  - Conduct a fact-finding inquiry or investigation into the complaint, including appropriate interviews and meetings;
  - Inform the witnesses and other involved individuals of the prohibition against retaliation;

- Create, gather and maintain investigative documentation as appropriate;
- Disclose appropriate information to others only on a need to know basis consistent with state and federal law, and provide a data privacy notice in accordance with state law; and
- Handle all data in accordance with applicable federal and state privacy laws.
- Interim actions.
  - Employee reassignment or administrative leave. Under appropriate circumstances, the president or chancellor may, in consultation with system legal counsel and labor relations, reassign or place an employee on administrative leave at any point in time during the report/complaint process. In determining whether to place an employee on administrative leave or reassignment, consideration shall be given to the nature of the alleged behavior, the relationships between the parties, the context in which the alleged incidents occurred and other relevant factors. Any action taken must be consistent with the applicable collective bargaining agreement or personnel plan.
  - Student summary suspension or other action. Under appropriate circumstances, the president or designee may, in consultation with system legal counsel, summarily suspend a student at any point in time during the report/complaint process. A summary suspension may be imposed only in accordance with Board Policy 3.6 and associated system procedures. After the student has been summarily suspended, the report/complaint process should be completed within the shortest reasonable time period, not to exceed nine (9) class days. During the summary suspension, the student may not enter the campus or participate in any college or university activities without obtaining prior permission from the president or designee. Other temporary measures may be taken in lieu of summary suspension where the president or designee determines such measures are appropriate.
- No basis to proceed. At any point during the processing of the complaint, the designated officer may determine that there is no basis to proceed under Board Policy 1B.1. The designated officer shall refer the complaint as appropriate. The designated officer shall notify the complainant and respondent of the outcome as appropriate, in accordance with applicable data privacy laws.
- Timely Completion. Colleges, universities and the system office must provide resources sufficient to complete the investigative process and issue a written response within 60 days after a complaint is made, unless reasonable cause for delay exists. The designated officer shall notify the complainant and respondent if the written response is not expected to be issued within the 60 day period. The college, university or system office must meet any applicable shorter time periods, including those provided in the applicable collective bargaining agreement.

**Subpart D. Resolution.** After processing the complaint the designated officer may consider one or more of the following methods to resolve the complaint as appropriate:

- Conduct or coordinate education/training;
- Facilitate voluntary meetings between the parties;
- Recommend separation of the parties, after consultation with appropriate system office, college or university personnel;
- Other possible outcomes may include recommending changes in workplace assignments, enrollment in a different course or program, or other appropriate action;
- The system office, college or university may use alternative dispute resolution or mediation services as a method of resolving discrimination or harassment complaints. Alternative dispute resolution and mediation options require the voluntary participation of all parties to the complaint;
- Upon completion of the inquiry, the designated officer may dismiss or refer the complaint to others as appropriate.

**Subpart E. Decision process.** If the above methods have not resolved the complaint within a reasonable period of time to the satisfaction of the designated officer, or the designated officer feels additional steps should be taken, the procedures in this subpart shall be followed.

- **Designated officer.** The designated officer shall:
  - Prepare an investigation report and forward it to the decisionmaker for review and decision;
  - Take additional investigative measures as requested by the decisionmaker; and
  - Be responsible for coordinating responses to requests for information contained in an investigation report in accordance with the Minnesota Government Data Practices Act and other applicable law including, but not limited to the Family Educational Rights and Privacy Act (FERPA). In determining the appropriate response, the designated officer shall consult with the campus data practice compliance official and/or the Office of General Counsel.
- **Decision maker.** After receiving the investigation report prepared by the designated officer, the decisionmaker shall:
  - Determine whether additional steps should be taken prior to making the decision. Additional steps may include:
    - A request that the designated officer conduct further investigative measures;
    - A meeting with the complainant, respondent or other involved individuals. If a meeting involving a represented employee is convened, the complainant or

respondent may choose to be accompanied by the bargaining unit representative, in accordance with the applicable collective bargaining agreement and federal and state law; and

- A request for additional information which may include a written response from the complainant or respondent relating to the allegations of the complaint.
- Take other measures deemed necessary to determine whether a violation of Board Policy 1B.1 has been established;
- When making the decision, take into account the totality of the circumstances, including the nature and extent of the behaviors, the relationship(s) between the parties, the context in which the alleged incident(s) occurred, and other relevant factors;
- Determine the nature, scope and timing of disciplinary or corrective action and the process for implementation if a violation of the nondiscrimination policy occurs. This may include consultation with human resources or supervisory personnel to determine appropriate discipline;
- As appropriate, consistent with applicable state and federal data privacy laws, report in writing to the complainant, respondent and the designated officer her or his findings, and the basis for those findings, as to whether Board policy 1B.1 has been violated; and
- Conduct that is determined not to have violated Board policy 1B.1 shall be referred to another procedure for further action, if appropriate.

**Part 7. System office, college, or university action.** The system office, college, or university shall take the appropriate corrective action based on results of the investigation, and the designated officer shall make appropriate inquiries to ascertain the effectiveness of any corrective or disciplinary action. Complainants are encouraged to report any subsequent conduct that violates Board Policy 1B1.1, as well as allegations of retaliation.

Written notice to parties relating to discipline, resolutions, and/or final dispositions resulting from the report/complaint process is deemed to be official correspondence from the system office, college or university. In accordance with state law, the system office, college or university is responsible for filing the complaint disposition concerning complaints against employees with the Commissioner of Employee Relations within 30 days of final disposition.

## **Part 8. Appeal.**

**Subpart A. Filing an appeal.** The complainant or the respondent may appeal the decision of the decisionmaker. An appeal must be filed in writing with the president or designee within ten (10) business days after notification of the decision. The appeal must state specific reasons why the complainant or respondent believes the decision was improper. In a complaint against a president or other official who reports directly to the chancellor, an appeal may be considered by the chancellor whether or not the chancellor served as the decisionmaker.

**Subpart B. Effect of review.** For employees represented by a collective bargaining agreement, an appeal under this procedure is separate and distinct from, and is not in any way related to, any contractual protections or procedures. During the pendency of the appeal disciplinary or corrective action taken as a result of the decision shall be enforced. In addition, in cases involving sanctions of suspension for ten (10) days or longer, students shall be informed of their right to a contested case hearing under Minnesota Statutes §14.

**Subpart C. Appeal process.** The president or designee shall review the record and determine whether to affirm or modify the decision. The president or designee may receive additional information if the president or designee believes such information would aid in the consideration of the appeal. The decision on appeal shall be made within a reasonable time and the complainant, respondent and designated officer shall be notified in writing of the decision, consistent with applicable state and federal data privacy laws. The decision on appeal exhausts the complainant's and respondent's administrative remedies under this procedure except as provided herein.

**Part 9. Education and training.** The system office, colleges and universities shall provide education and training programs to promote awareness and prevent discrimination/harassment, such as educational seminars, peer-to-peer counseling, operation of hotlines, self-defense courses, and informational resources. Education and training programs should include education about Board Policy 1B.1 and this procedure. All colleges and universities and the system office shall promote awareness of Board Policy 1B.1 and this procedure, and shall publicly identify the designated officer.

**Part 10. Distribution of board policy 1B.1 and this procedure.** Information regarding Board Policy 1B.1 and this procedure shall, at a minimum, be distributed to students at the time of registration and to employees at the beginning of employment. Distribution may be accomplished by posting on an internet website, provided all students and employees are directly notified of how to access the policy and procedure by an exact address, and that they may request a paper copy. Copies of the policy and procedure shall be conspicuously posted at appropriate locations at the system office and on college and university campuses at all times and shall include the designated officers' names, locations and telephone numbers.

Designated officers also must be identified by name, location and phone number in informational publications such as student catalogs, student and employee handbooks, bulletin boards, campus websites and other appropriate public announcements.

**Part 11. Maintenance of report/complaint procedure documentation.** During and upon the completion of the complaint process, the complaint file shall be maintained in a secure location in the office of the designated officer for the system office, college or university in accordance with the applicable records retention schedule. Access to the data shall be in accordance with the respective collective bargaining agreement or personnel plan, the Minnesota Government Data Practices Act, the Family Educational Rights and Privacy Act or other applicable law.

## **VII. MNSCU'S REASONABLE ACCOMODATION IN EMPLOYMENT POLICY**

---

State agencies must comply with all state and federal laws that prohibit discrimination against qualified individuals with disabilities in all employment practices. All state agencies must provide reasonable accommodations to qualified applicants and employees with disabilities unless to do so would cause an undue hardship or pose a direct threat. Agencies must provide reasonable accommodation when:

- A qualified applicant with a disability needs an accommodation to have an equal opportunity to compete for a job;
- A qualified employee with a disability needs an accommodation to perform the essential functions of the employee's job; and

A qualified employee with a disability needs an accommodation to enjoy equal access to benefits and privileges of employment (e.g., trainings, office sponsored events).

### **Applicant**

A person who expresses interest in employment and satisfies the minimum requirements for application established by the job posting and job description.

### **Americans with Disabilities Act (ADA) Coordinator**

Each College is required to appoint an ADA coordinator or designee, depending on College size, to direct and coordinate College compliance with Title I of the ADA.

### **Direct Threat**

A significant risk of substantial harm to the health or safety of the individual or others that cannot be eliminated or reduced by reasonable accommodation.

The determination that an individual poses a direct threat shall be based on an individualized assessment of the individual's present ability to safely perform the essential functions of the job.

### **Essential Functions**

Duties so fundamental that the individual cannot do the job without being able to perform them. A function can be essential if:

- The job exists specifically to perform the function(s); or
- There are a limited number of other employees who could perform the function(s); or
- The function(s) is/are specialized and the individual is hired based on the employee's expertise.

### **Interactive Process**

A discussion between the employer and the individual with a disability to determine an effective reasonable accommodation for the individual with a disability. To be interactive, both sides must communicate and exchange information.

## **Individual with a Disability**

An individual who:

- Has a physical, sensory, or mental impairment that substantially limits one or more major life activities; or
- Has a record or history of such impairment; or
- Is regarded as having such impairment.

## **Qualified Individual with a Disability**

An individual who:

- Satisfies the requisite skill, experience, education, and other job-related requirements of the job that the individual holds or desires; and
- Can perform the essential functions of the position with or without reasonable accommodation.

## **Major Life Activities**

May include, but are not limited to, caring for oneself, performing manual tasks, seeing, hearing, eating, sleeping, walking, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, and working.

Major life activities also include the operation of a major bodily function, including but not limited to, functions of the immune system, normal cell growth, digestive, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine, and reproductive functions.

## **Medical Documentation**

Information from the requestor's treating provider which is sufficient to enable the employer to determine whether an individual has a disability and whether and what type of reasonable accommodation is needed when the disability or the need for accommodation is not obvious. Medical documentation can be requested using the standardized [Letter Requesting Documentation for Determining ADA Eligibility from a Medical Provider.](#)

## **Reasonable Accommodation**

An adjustment or alteration that enables a qualified individual with a disability to apply for a job, perform job duties, or enjoy the benefits and privileges of employment. Reasonable accommodations may include:

- Modifications or adjustments to a job application process to permit a qualified individual with a disability to be considered for a job; or
- Modifications or adjustments to enable a qualified individual with a disability to perform the essential functions of the job; or
- Modifications or adjustments that enable qualified employees with disabilities to enjoy equal benefits and privileges of employment.

Modifications or adjustments may include, but are not limited to:

- Providing materials in alternative formats like large print or Braille;
- Providing assistive technology, including information technology and communications equipment, or specially designed furniture;
- Modifying work schedules or supervisory methods;
- Granting breaks or providing leave;
- Altering how or when job duties are performed;
- Removing and/or substituting a marginal function;
- Moving to a different office space;
- Providing telework;
- Making changes in workplace policies;
- Providing a reader or other staff assistant to enable employees to perform their job functions, where a reasonable accommodation cannot be provided by current staff;
- Removing an architectural barrier, including reconfiguring work spaces;
- Providing accessible parking; or
- Providing a reassignment to a vacant position.

## **Reassignment**

Reassignment to a vacant position for which an employee is qualified is a “last resort” form of a reasonable accommodation. This type of accommodation must be provided to an employee, who, because of a disability, can no longer perform the essential functions of the position, with or without reasonable accommodation, unless the employer can show that it will be an undue hardship.

## **Support Person**

Any person an individual with a disability identifies to help during the reasonable accommodation process in terms of filling out paperwork, attending meetings during the interactive process to take notes or ask clarifying questions, or to provide emotional support.

## **Undue Hardship**

A specific reasonable accommodation would require significant difficulty or expense. Undue hardship is always determined on a case-by-case basis considering factors that include the nature and cost of the accommodation requested and the impact of the accommodation on the operations of the College. A state College is not required to provide accommodations that would impose an undue hardship on the operation of the College.

## **General Standards and Expectations**

### ***Individuals who may request a reasonable accommodation include***

- Any qualified applicant with a disability who needs assistance with the job application procedure or the interview or selection process; or
- Any qualified College employee with a disability who needs a reasonable accommodation to perform the essential functions of the position; or
- A third party, such as a family member, friend, health professional or other representative, on behalf of a qualified applicant or employee with a disability, when the applicant or employee is unable to make the request for reasonable accommodation. When possible, the College must contact the applicant or employee to confirm that the accommodation is wanted. The applicant or employee has the discretion to accept or reject the proposed accommodation.

The College must abide by the [Minnesota Government Data Practices Act, Chapter 13](#), in obtaining or sharing information related to accommodation requests.

### ***How to request a reasonable accommodation***

A College applicant or employee may make a reasonable accommodation request to any or all of the following:

- Immediate supervisor or manager in the employee's chain of command;
- College Affirmative Action Officer/Designee;
- College ADA Coordinator;
- College Human Resources Office;
- Any College official with whom the applicant has contact during the application, interview and/or selection process.

### ***Timing of the request***

An applicant or employee may request a reasonable accommodation at any time, even if the individual has not previously disclosed the existence of a disability or the need for an accommodation. A request

is any communication in which an individual asks or states that he or she needs the College to provide or change something because of a medical condition.

The reasonable accommodation process begins as soon as possible after the request for accommodation is made.

### ***Form of the request***

The applicant or employee is responsible for requesting a reasonable accommodation or providing sufficient notice to the College that an accommodation is needed.

An initial request for accommodation may be made in any manner (e.g., writing, electronically, in person or orally).

The individual requesting an accommodation does not have to use any special words and does not have to mention the ADA or use the phrase "reasonable accommodation" or "disability."

Oral requests must be documented in writing to ensure efficient processing of requests.

College request forms can be found at: "[Employee/Applicant Request for Reasonable Accommodation Form](#)".

When a supervisor or manager observes or receives information indicating that an employee is experiencing difficulty performing the job due to a medical condition or disability, further inquiry may be required. Supervisors or managers should consult with the College ADA Coordinator for advice on how to proceed.

When an employee needs the same reasonable accommodation on a repeated basis (e.g., the assistance of a sign language interpreter), a written request for accommodation is required the first time only. However, the employee requesting an accommodation must give appropriate advance notice each subsequent time the accommodation is needed. If the accommodation is needed on a regular basis (e.g., a weekly staff meeting), the College must make appropriate arrangements without requiring a request in advance of each occasion.

### ***The interactive process entails***

Communication is a priority and encouraged throughout the entire reasonable accommodation process. The interactive process is a collaborative process between the employee and/or applicant and the College to explore and identify specific reasonable accommodation(s). (For information on the Interactive Process see the U.S. Department of Labor, Job Accommodation Network at <http://askjan.org/topics/interactive.htm>). This process is required when:

- The need for a reasonable accommodation is not obvious;
- The specific limitation, problem or barrier is unclear;
- An effective reasonable accommodation is not obvious;
- The parties are considering different forms of reasonable accommodation;

- The medical condition changes or fluctuates; or,
- There are questions about the reasonableness of the requested accommodation.

The interactive process should begin as soon as possible after a request for reasonable accommodation is made or the need for accommodation becomes known.

The process should ensure a full exchange of relevant information and communication between the individual and the College. An individual may request that the College ADA Coordinator, a union representative, or support person be present.

The College ADA Coordinator shall be consulted when:

- Issues, conflicts or questions arise in the interactive process; and
- Prior to denying a request for accommodation.

### ***College responsibilities for processing the request***

As the first step in processing a request for reasonable accommodation, the person who receives the request must promptly forward the request to the appropriate decision maker. At the same time, the recipient will notify the requestor who the decision maker is.

#### Commissioner

The commissioner of the College or College head has the ultimate responsibility to ensure compliance with the ADA and this policy and appoint an ADA Coordinator.

#### ADA Coordinator

The College ADA Coordinator is the College's decision maker for reasonable accommodation requests for all types of requests outside of the supervisors' and managers' authority. The College ADA Coordinator will work with the supervisor and manager, and where necessary, with College Human Resources, to implement the approved reasonable accommodation.

#### Supervisors and Managers

Agencies have the authority to designate the level of management approval needed for reasonable accommodation requests for low-cost purchases. For example:

- Requests for standard office equipment that is needed as a reasonable accommodation and adaptive items costing less than \$100. [Agencies can adjust the dollar amount based on their needs]; and
- Requests for a change in a condition of employment such as modified duties, or a change in schedule, or the location and size of an employee's workspace. [Agencies can choose to delegate specific requests to supervisors or managers or require these types of requests to work through the College ADA Coordinator].

### ***Analysis for processing requests***

Before approving or denying a request for accommodation, the College decision maker with assistance from the College ADA Coordinator will:

1. Determine if the requestor is a qualified individual with a disability;
2. Determine if the accommodation is needed to:
  - Enable a qualified applicant with a disability to be considered for the position the individual desires;
  - Enable a qualified employee with a disability to perform the essential functions of the position; or
  - Enable a qualified employee with a disability to enjoy equal benefits or privileges of employment as similarly situated employees without disabilities;
3. Determine whether the requested accommodation is reasonable;
4. Determine whether there is a reasonable accommodation that will be effective for the requestor and the College; and
5. Determine whether the reasonable accommodation will impose an undue hardship on the College's operations.

An employee's accommodation preference is always seriously considered, but the College is not obligated to provide the requestor's accommodation of choice, so long as it offers an effective accommodation, or determines that accommodation would cause an undue hardship.

### ***Obtaining medical documentation in connection with a request for reasonable accommodation***

In some cases, the disability and need for accommodation will be reasonably evident or already known, for example, where an employee is blind. In these cases, the College will not seek further medical documentation. If a requestor's disability and/or need for reasonable accommodation are not obvious or already known, the College ADA Coordinator may require medical information showing that the requestor has a covered disability that requires accommodation. The College ADA Coordinator may request medical information in certain other circumstances. For example when:

- The information submitted by the requestor is insufficient to document the disability or the need for the accommodation;
- A question exists as to whether an individual is able to perform the essential functions of the position, with or without reasonable accommodation; or
- A question exists as to whether the employee will pose a direct threat to himself/herself or others.

Where medical documentation is necessary, the College ADA Coordinator must make the request and use the [Letter Requesting Documentation for Determining ADA Eligibility from a Medical Provider](#).

The College ADA Coordinator must also obtain the requestor's completed and signed [Authorization for Release of Medical Information](#).

Only medical documentation specifically related to the employee's request for accommodation and ability to perform the essential functions of the position will be requested. When medical documentation or information is appropriately requested, an employee must provide it in a timely manner, or the College may deny the reasonable accommodation request. Agencies must not request medical records; medical records are not appropriate documentation and cannot be accepted. **Supervisors and managers *must not* request medical information or documentation from an applicant or employee seeking an accommodation.** Such a request will be made by the College ADA Coordinator, if appropriate.

### ***Confidentiality requirements***

#### Medical Information

Medical information obtained in connection with the reasonable accommodation process must be kept confidential. All medical information obtained in connection with such requests must be collected and maintained on separate forms and in separate physical or electronic files from non-medical personnel files and records. Electronic copies of medical information obtained in connection with the reasonable accommodation process must be stored so that access is limited to only the College ADA Coordinator. Physical copies of such medical information must be stored in a locked cabinet or office when not in use or unattended. Generally, medical documentation obtained in connection with the reasonable accommodation process should only be reviewed by the College ADA Coordinator.

The College ADA Coordinator may disclose medical information obtained in connection with the reasonable accommodation process to the following:

- Supervisors, managers or College HR staff who have a need to know may be told about the necessary work restrictions and about the accommodations necessary to perform the employee's duties. However, information about the employee's medical condition should only be disclosed if strictly necessary, such as for safety reasons;
- First aid and safety personnel may be informed, when appropriate, if the employee may require emergency treatment or assistance in an emergency evacuation;
- To consult with the State ADA Coordinator or Employment Law Counsel at MMB, or the Attorney General's Office about accommodation requests, denial of accommodation requests or purchasing of specific assistive technology or other resources; or
- Government officials assigned to investigate College compliance with the ADA.

Whenever medical information is appropriately disclosed as described above, the recipients of the information must comply with all confidentiality requirements.

#### Accommodation Information

The fact that an individual is receiving an accommodation because of a disability is confidential and may only be shared with those individuals who have a need to know for purposes of implementing the accommodation, such as the requestor's supervisor and the College ADA Coordinator.

### General Information

General summary information regarding an employee's or applicant's status as an individual with a disability may be collected by College equal opportunity officials to maintain records and evaluate and report on the College's performance in hiring, retention, and processing reasonable accommodation requests.

### ***Approval of requests for reasonable accommodation***

As soon as the decision maker determines that a reasonable accommodation will be provided, the College ADA Coordinator will process the request and provide the reasonable accommodation in as short of a timeframe as possible. The time necessary to process a request will depend on the nature of the accommodation requested and whether it is necessary to obtain supporting information. If an approved accommodation cannot be provided within a reasonable time, the decision maker will inform the requestor of the status of the request before the end of 30 days. Where feasible, if there is a delay in providing the request, temporary measures will be taken to provide assistance.

Once approved, the reasonable accommodation should be documented for record keeping purposes and the records maintained by the College ADA Coordinator.

### ***Funding for reasonable accommodations***

The College must specify how the College will pay for reasonable accommodations.

### ***Procedures for reassignment as a reasonable accommodation***

Reassignment to a vacant position is an accommodation that must be considered if there are no effective reasonable accommodations that would enable the employee to perform the essential functions of his/her current job, or if all other reasonable accommodations would impose an undue hardship.

The College ADA Coordinator will work with College Human Resources staff and the requestor to identify appropriate vacant positions within the College for which the employee may be qualified and can perform the essential functions of the vacant position, with or without reasonable accommodation. Vacant positions which are equivalent to the employee's current job in terms of pay, status, and other relevant factors will be considered first. If there are none, the College will consider vacant lower level positions for which the individual is qualified. The EEOC recommends that the College consider positions that are currently vacant or will be coming open within at least the next 60 days.

### ***Denial of requests for reasonable accommodation***

The College ADA Coordinator must be contacted for assistance and guidance prior to denying any request for reasonable accommodation. The College may deny a request for reasonable accommodation where:

- The individual is not a qualified individual with a disability;
- The reasonable accommodation results in undue hardship or the individual poses a direct threat to the individual or others. Undue hardship and direct threat are determined on a case-by-case basis with guidance from the College ADA Coordinator; or
- Where no reasonable accommodation, including reassignment to a vacant position, will enable the employee to perform all the essential functions of the job.

The explanation for denial must be provided to the requestor in writing. The explanation should be written in plain language and clearly state the specific reasons for denial. Where the decision maker has denied a specific requested accommodation, but has offered a different accommodation in its place, the decision letter should explain both the reasons for denying the accommodation requested and the reasons that the accommodation being offered will be effective.

### ***Consideration of undue hardship***

An interactive process must occur prior to the College making a determination of undue hardship. Determination of undue hardship is made on a case-by-case basis and only after consultation with the College's ADA Coordinator. In determining whether granting a reasonable accommodation will cause an undue hardship, the College considers factors such as the nature and cost of the accommodation in relationship to the size and resources of the College and the impact the accommodation will have on the operations of the College.

Agencies may deny reasonable accommodations based upon an undue hardship. Prior to denying reasonable accommodation requests due to lack of financial resources, the College will consult with the State ADA Coordinator at MMB.

### ***Determining direct threat***

The determination that an individual poses a "direct threat," (i.e., a significant risk of substantial harm to the health or safety of the individual or others) which cannot be eliminated or reduced by a reasonable accommodation, must be based on an individualized assessment of the individual's present ability to safely perform the essential functions of the job with or without reasonable accommodation. A determination that an individual poses a direct threat cannot be based on fears, misconceptions, or stereotypes about the individual's disability. Instead, the College must make a reasonable medical judgment, relying on the most current medical knowledge and the best available objective evidence.

In determining whether an individual poses a direct threat, the factors to be considered include:

- Duration of the risk;

- Nature and severity of the potential harm;
- Likelihood that the potential harm will occur; and
- Imminence of the potential harm.

***Appeals process in the event of denial***

In addition to providing the requestor with the reasons for denial of a request for reasonable accommodation, agencies must designate a process for review when an applicant or employee chooses to appeal the denial of a reasonable accommodation request. This process:

- Must include review by a College official;
- May include review by the State ADA Coordinator; and/or
- Must inform the requestor of the statutory right to file a charge with the Equal Employment Opportunity Commission or the Minnesota Department of Human Rights.

***Information tracking and records retention***

Agencies must track reasonable accommodations requested and report once a year by September 1<sup>st</sup> to MMB the number and types of accommodations requested, approved, denied and other relevant information.

Agencies must retain reasonable accommodation documentation according to the College’s document retention schedule, but in all cases for at least one year from the date the record is made or the personnel action involved is taken, whichever occurs later. 29 C.F.R. § 1602.14.

Knowledge and preparation by both individuals needing assistance and those who don't is key to reducing the impact of emergencies.

Supervisors will meet individually with employees with a known physical disability (mobility and/or sensory), including those with a temporary disability, to discuss the emergency and evacuation procedures.

Supervisors should assign two assistants to each individual with physical disabilities to ensure that, in an emergency, the employee will be able to comply with the evacuation/emergency instruction.

During evacuation, employees with disabilities should move to the main entrance of the building they are located in and wait for assistant or emergency personnel. If able follow evacuation procedures.

### **Evacuation Options:**

Individuals with disabilities have four basic, possibly five, evacuation options:

- Horizontal evacuation: Using building exits to the outside ground level or going into unaffected wings of multi-building complexes;
- Stairway evacuation: Using steps to reach ground level exits from building;
- Shelter in place: Unless danger is imminent, remain in a room with an exterior window, a telephone, and a solid or fire resistant door. If the individual requiring special evacuation assistance remains in place, they should dial 911 immediately and report their location to emergency services, who will in turn relay that information to on-site responders. The shelter in place approach may be more appropriate for sprinkler protected buildings where an area of refuge is not nearby or available. It may be more appropriate for an individual who is alone when the alarm sounds;
- Area of rescue assistance: Identified areas that can be used as a means of egress for individuals with disabilities. These areas, located on floors above or below the building's exits, can be used by individuals with disabilities until rescue can be facilitated by emergency responders; and/or
- For agencies equipped with an evacuation chair: Evacuation chairs or a light-weight solution to descending stairways can be used and generally require single user operation. If the College is equipped with an evacuation chair, best practice indicates that all employees are trained and have practiced evacuating using an evacuation chair.

### **Evacuation Procedures for Individuals with Mobility, Hearing, and Visual Disabilities:**

Individuals with disabilities should follow the following procedures:

- Mobility disabilities (individuals who use wheelchairs or other personal mobility devices (“PMDs”): Individuals using wheelchairs should be accompanied to an area of rescue assistance by an employee or shelter in place when the alarm sounds. The safety and security staff will respond to each of the areas of rescue assistance every time a building evacuation is initiated to identify the individuals in these areas and notify to emergency responders how many individuals need assistance to safely evacuate.
- Mobility disabilities (individuals who do not use wheelchairs): Individuals with mobility disabilities, who are able to walk independently, may be able to negotiate stairs in an emergency with minor assistance. If danger is imminent, the individual should wait until the heavy traffic has cleared before attempting the stairs. If there is no immediate danger (detectable smoke, fire, or unusual odor), the individual with a disability may choose to wait at the area of rescue assistance until emergency responders arrive to assist them.
- Hearing disabilities: The agency’s buildings are equipped with fire alarm horns/strobes that sound the alarm and flash strobe lights. The strobe lights are for individuals with who are deaf and/or hard of hearing. Individuals with hearing disabilities may not notice or hear emergency alarms and will need to be alerted of emergency situations.
- Visual disabilities: The agency’s buildings are equipped with fire alarm horn/strobes that sound the alarm and flash strobe lights. The horn will alert individuals who are blind or have visual disabilities of the need to evacuate. Most individuals with visual disabilities will be familiar with their immediate surroundings and frequently traveled routes. Since the emergency evacuation route is likely different from the common traveled route, individuals with visual disabilities may need assistance in evacuating. The assistant should offer assistance, and if accepted, guide the individual with a visual disability through the evacuation route.

### **Severe Weather Evacuation Options:**

Individuals with disabilities or who are in need of assistance during an evacuation have three evacuation options based on their location in their building:

- Horizontal evacuation: If located on the ground or basement floor, severe weather shelter areas are located throughout each floor;
- Elevator evacuation: If there are no safe areas above the ground floor, the elevator may be used to evacuate to the ground or basement levels; and/or
- Shelter in Place: Seeking shelter in a designated severe weather shelter and remaining there until the all clear is used.

## IX. GOALS AND TIMETABLES

Through the utilization analysis, the College has determined which job categories are underutilized for women, minorities, and individuals with disabilities within the College and has set the following hiring goals for the next two years (Reference Table 2).

**Table 2. Underutilization Analysis and Hiring Goals for 2016-2018**

The second, third, and fourth columns of this chart show the number of underutilized individuals of each group in each category at this College. The fifth, sixth, and seventh columns show the College's hiring goals for each group in each category.

Job Categories	UNDERUTILIZATION – # OF INDIVIDUALS				HIRING GOALS FOR 2016-2018

### Availability:

The College determined the recruitment area to be statewide for all job categories with an open competitive search. National searches may be utilized for Administrator, Director and Faculty level positions. To enhance and develop a diverse campus community, Vermilion Community College recognizes that every search is an opportunity for the aggressive recruitment of protected class applicants to develop a large and diverse applicant pool. Through the recruitment of women, persons of color, and persons with disabilities, and veterans, VCC will develop a workforce that enhances learning for our student body and the local communities that we serve. All applicants will be given equal opportunity, treated with dignity and respect, and when requested, accommodations will be offered throughout the hiring process to persons with disabilities.

Within disciplines where protected groups are underutilized and applicants are limited, the need for aggressive advertising and recruitment becomes crucial. The College recognizes that in order to successfully attract and retain underrepresented candidates there is direct relation to a long-term commitment by the College and a supportive work environment.

The College is required by federal law to biennially review its work force and identify areas where the representation of women, persons of color, and persons with disabilities are underutilized relative to

their members in a given job group. The college is required to document efforts to correct any underutilization and assure full representation in an applicant pool. Before each search begins, the AAO will determine whether underutilization exists and develop the hiring goal.

Because the local area demographics contain a limited pool of persons of color, VCC has established the minimal geographic region for all searches to include a regional, statewide search utilizing online advertising (Monster.com, HigherEdJobs. Com, Indeed.com, Diversity.com). In addition to aggressive advertising to assure the development of a diverse applicant pool, VCC will employ innovative methods and network with administrators, faculty, staff, and professionals from other institutions to assist with applicant recommendations to ensure a diverse applicant pool. The college diligently assures that all search pools are inclusive of qualified minority candidates. 50%-60% decline our offer to interview when contacted. Because the college only anticipates a limited number of hiring opportunities during the 2016-2018 AA Plan, we reduced our hiring goal of 5 faculty to 3 as the number of vacancies for faculty will be low.

Although the college did not use the two-factor analysis we based our information on predominately choosing to recruit externally and internally simultaneously.

Underutilization Analysis worksheets are attached in the appendix **D**. Numbers less than 10 are indicated with "<10" in accordance with Minnesota Management and Budget's guidance on data privacy.

**Women:**

At the agency, the population of women has improved in the job category of: Faculty. It has remained unchanged in all other job categories of: Administrators, Professionals, Clerical, Technicians, and Labor/Craft/ Service.

We attempt to demonstrate a good faith effort to achieve these important goals. The college shows that it has taken vigorous and measureable steps to ensure that qualified women are included in its applicant pools and be able to objectively demonstrate that the selection process was fair and consistent. The college has a written hiring plan inclusive to women and if they meet minimum qualifications, will be balanced into the interview pool. The college strives to include women in a normally unbalanced or underrepresented field by advertising venues that specifically cater to women. These important gains are cognizant of the college and will continue gender equity in this disparate group.

**Minorities:**

At the College, the population of minorities has improved in the following job categories of: Faculty and Technicians. It has remained unchanged in the following job categories of: Administrators, Clerical and Labor/Craft/ Service. It has not improved in the job category of: Professionals.

We attempt to demonstrate a good faith effort to achieve these important goals. The college shows that it has taken vigorous and measureable steps to ensure that qualified minorities are included in its applicant pools and be able to objectively demonstrate that the selection process was fair and consistent. The college has a written hiring plan inclusive to minorities and if they meet minimum

qualifications, will be included in the interview process. Balancing the interview pool with disparate group(s) is a requirement.

Faculty hires have consisted of technical programs which garner a low applicant pool. Though the attempt for a national search occurs, the pool consists of local citizens in populace of < 2% ethnic background. Other categories may solicit a diverse pool however the relocation to rural areas deems a deciding factor. Will continue working and advertising with the Native American communities along with national online advertising sites utilizing this disparate group.

The college diligently assures that all search pools are inclusive to a qualified minority candidate. 50-60% of all candidates decline our offer to interview when contacted. The college only anticipates a limited number of hiring opportunities during the 2016-2018 AA Plan, however, if a vacancy should arise, the college will conscientiously seek to hire qualified minority employees in all job categories.

#### **Individuals with Disabilities:**

At the College, the population of individuals with disabilities has improved in the following job category of: Faculty. It has remained unchanged in the job categories of: Administrators, Professional, Clerical, Technicians and Labor/Craft/Service.

We attempt to demonstrate a good faith effort to achieve these important goals. The college shows that it has taken vigorous and measureable steps to ensure that qualified individuals with disabilities are included in its applicant pools and be able to objectively demonstrate that the selection process was fair and consistent. The college has a written hiring plan inclusive to individuals with disabilities and if they meet minimum qualifications, will be included in the interview process. Balancing the interview pool with disparate group(s) is a requirement.

The College will continue to include organizations that work with protected class persons by: mentor new faculty/staff hires of protected class persons and individuals with disabilities; increase outreach programs to recruit and retain culturally diverse perspective employees and students; work closely with multi-cultural centers and local disabilities coordinators; strengthen connections with MnSCU, outside agencies, and other institutions to encourage retention; continue ongoing development with the Intercultural Advisory Council group comprised of college and community members in which we work with to help with recruitment of persons with disabilities and underrepresented. The college will expand the recruitment of persons with disabilities by distribution of vacancy announcements to organizations such as State Council on Disabilities, AEOA and DEED.

The HR Director and the Administration of the college are responsible for retention program and activities. Methods used to retain protected group employees include compliance with OCR follow-ups, diversity training for employees, performance goals toward diversity, active clubs, and student diversity councils.

#### **Veterans:**

At the College, the population of veterans has improved in the following job category of: Faculty. It remains unchanged in the following job categories of: Administrators, Professionals, Clerical, Technicians. It has not improved in the job category of: Professionals.

We attempt to demonstrate a good faith effort to achieve these important goals. The college shows that it has taken vigorous and measureable steps to ensure that qualified veterans are included in its applicant pools and be able to objectively demonstrate that the selection process was fair and consistent. The college has a written hiring plan inclusive to veterans if they meet minimum qualifications, will be included in the interview process. Balancing the interview pool with disparate group(s) is a requirement.

The College will continue to include organizations that work with protected class persons by: increasing outreach programs to recruit and retain culturally diverse perspective employees and students; work closely with veteran centers and local veteran coordinators. The college will expand the recruitment of veterans with local distribution of vacancy announcements to organizations such as AEOA, Veterans of Foreign Wars, Lion’s Club and DEED.

**Evaluation:**

The college continues to look for new opportunity with outreach programs and/or organizations and communities for recruiting underrepresented persons. In recent past years, we have connect with tribal communities in the region to provide notice of our job vacancies. This has been successful as we have received applicants and made hires due to this outreach. We will continue this process.

The college diligently assures that all search pools are inclusive to of qualified minority candidate. 50-60% of all candidates decline our offer to interview when contacted. The college only anticipates a limited number of hiring opportunities during the 2016-2018 AA Plan, however, if a vacancy should arise, the college will conscientiously seek to hire qualified minority employees in all job categories.

---

## **XI. METHODS OF AUDITING, EVALUATING, AND REPORTING PROGRAM SUCCESS**

---

### **A. Pre-Employment Review Procedure/Monitoring the Hiring Process**

#### **A. Pre-Employment Review Procedure/Monitoring the Hiring Process**

Vermilion Community College will evaluate its selection process to determine if its requirements unnecessarily screen out a disproportionate number of women, minorities, individuals with disabilities, or veterans. The agency will use the monitoring the hiring process form for every hire to track the number of women, minorities, individuals with disabilities, and veterans in each stage of the selection process.

#### **The Pre-Employment Review**

1. The hiring supervisor completes and submits an intent to fill form and a position description for the vacancy to be filled to the President of the Northeast Higher Education District for approval. Once approval is obtained the form is submitted to Human Resources.
2. If a disparity exist, the Affirmative Action Officer and/or the Human Resources staff works closely with the hiring supervisor in an effort to eliminate the disparity according to the following procedures:
  - a. All position descriptions shall contain job related criteria (knowledge, skills, and abilities) that are required to perform the essential functions of the identified tasks.
  - b. Job related minimum requirements (and preferred requirements) will be clearly defined and documented on the vacancy announcement.
  - c. Human Resources and the hiring supervisor determines if an external recruitment effort is required.
  - d. If an external recruitment effort is required, efforts will include resources that have contacts with protected class candidates.

#### **Pre-Interview**

1. Prior to commencement of the interview process, the search committee shall submit a list of uniform job related interview questions to the Affirmative Action Officer and/or Human Resources. The questions will be reviewed to determine:
  - a. Will the answers to this question, if used in making the selection, have a disparate effect in screening out protected group applicants?
  - b. Is this information (is it job related) to judge an applicant's competence or qualification for the job in question?
  - c. Is the question culturally neutral?
  - d. Are the questions within the legal parameters of the Equal Employment Opportunity guidelines?

2. The search committee will ensure that each candidate is asked the same structured interview questions. Leeway is allowed for follow-up questions of clarity.
3. Candidate's resumes will be referred to the search committee by HR after reviewing the resumes to determine which candidates meet the minimum qualifications as defined in the job posting. Candidates who meet the minimum qualifications will constitute the final eligible list of candidates to be considered.
4. If the number of candidates on the eligible list is large and needs to be more narrowly defined to come up with a "reasonable" number to interview, the search committee may further rank the candidates based upon job related qualification required and preferred for the position as defined in the job posting.
5. To the extent possible, the disparate group percentage will be reflected in the final interview applicant pool. However, the primary consideration in determining the interview pool will be the job related qualifications required (and desired) of the position to be filled.

### **Post Interview**

1. The search committee will compare the qualifications of candidates based on available evidence and the requirements of the job. Only in the final selection process will the affirmative action goals and current disparities be considered.
2. If the search committee wishes to forward non-disparate group candidate as a finalist where there is a disparity and a non-disparate group candidate, the chair of the committee will discuss this action with the Affirmative Action Officer prior to decision being made. The Affirmative Action Officer shall review the reasons and documentation. Until that review is complete no offer of employment can be made to any candidate. If it is concluded that the reasons are sufficient, the hiring authority may make a hiring decision with finalists forwarded to them. If the reasons are not sufficient, the Affirmative Action Officer will recommend forwarding the disparate candidate as a finalist and will have a discussion with the hiring authority.
3. All candidates not selected are notified of the hiring decision.
4. The search committee are not to disclose information that the candidate selected is of a particular protected group status. The protected group status of an individual is identified as private data; in accordance with the Minnesota Government Data Practice Act which governs the collection and disclosure of all government data, including personnel data. Minn. Stat. 13.43, subd.2.
5. HR will keep documentation on the selection process for all appointments for at least one year. The AAO will keep data on every appointment where there is a disparity to explain the justification for the hiring decision.

### **B. Pre-Review Procedure for Layoff Decisions**

The Chief Human Resources Officer/Affirmative Action Officer will review and be aware of pending layoffs where ADA affects a layoffee bumping eligibility.

## **C. Other Methods of Program Evaluation**

The College submits the following compliance reports to Minnesota Management and Budget as part of the efforts to evaluate the College's affirmative action program:

- Quarterly Monitoring the Hiring Process Reports;
- Biannual Affirmative Action Plan;
- Disposition of Internal Complaint (within 30 days of final disposition).

The College also evaluates the Affirmative Action Plan in the following ways:

- Monitors progress toward stated goals quarterly;
- Analyzes employment activity (hires, promotions, and terminations) by job category to determine if there is adverse impact;
- Analyzes compensation program to determine if there are patterns of discrimination;
- Reviews the accessibility of online systems, websites, and ensures that reasonable accommodations can be easily requested; and
- Discusses progress with agency leadership on a periodic basis and makes recommendations for improvement.

---

## **XII. RECRUITMENT PLAN**

---

The objective of this recruitment plan is to ensure the College's recruitment programs are publicly marketed, attract, and obtain qualified applicants, enhance the image of state employment, and to assist in meeting the affirmative action goals to achieve a diverse workforce.

Recruitment costs incurred during the 2014-2016 plan year total:

FY15 \$588  
FY16 \$865

Below are various recruitment methods or strategies utilized by the College during the past year and plans for the upcoming plan years 2016-2018.

### **A. Advertising Sources**

MnSCU System Website Bulletin  
NHED Website  
Local Newspapers  
NEOGOV  
The Chronicle of Higher Education  
HigherEdJobs.com  
Diversity.Com  
Pauly Group  
MnSCU internal listserves  
Native Tribal Community Contacts  
HireHeroes  
MN Workforce Center

We continue to have success with the MnSCU and NHED Website. For our faculty positions we have some success with the Chronicle of Higher Education and HigherEdJobs.com. To help increase our applicant pools to be more diverse we continue to use diversity.com and this past year we have reached out to the native communities in our region and around the state to ensure they are aware of our job vacancies. We have also offered help to ensure they have access and knowledge on how to apply for our vacancies on Recruiting Solutions and Neo-gov.

We used the Pauley Group (an advertising firm) for a high-level Provost position in previous years. It was very expensive, but did not yield the results we wanted. We only received one application from this source, so we will continue to re-evaluate this advertising source in the future.

## **B. Job and Community Fairs**

The college did not participate in any job or community fairs. We do not have that many on-going vacancies and do not feel at this time it is worth our while to attend.

## **C. College and University Recruitment Events**

The college has participated in mock interviews with graduating technical program students and with the area workforce centers.

Although it is hard to determine the effectiveness of these strategies, we will continue to participate to encourage networking and offering our services to help these graduates and candidates in our local communities.

## **D. Recruitment for Individuals with Disabilities**

Diversity.com

Reach out to organizations that work with protected class persons as well as individuals with disabilities

Continue to work with the college's established Intercultural Advisory Council group comprised of college and community members in which we work with to help recruit persons with disabilities and underrepresented

Our plan is to continue these strategies and look for more ways to reach out to individuals with disabilities

## **E. Relationship Building and Outreach**

Work with high school counselors to provide information in regards to our vacancies and/or offer assistance to high school graduates with resume writing, interviewing skills etc.

Work with DEED (VRS) in particular to ensure they are aware of vacancies.

## **F. Supported Employment (M.S. 43A.191, Subd. 2(d))**

The agency supports the employment of individuals with disabilities and will review vacant positions to determine if job tasks can be performed by a supported employment workers. We will work with community organizations that provide employment services to individuals with disabilities to recruit for these positions.

## **G. Additional Recruitment Plan Activities**

Our ongoing goal for this next two year plan is to maintain the tracking system of our recruiting methods to increase and critique the outreach for better results.

Review of job postings for physical and sensory requirements and ensure that qualifications in job postings are inclusive and do not pose any unnecessary barriers.

---

## **XIII. RETENTION PLAN**

---

The College is committed to not just the recruitment of women, minorities, individuals with disabilities, and veterans, but also to the retention of these protected groups.

### **Individual(s) Responsible for the Agency's Retention Program/Activities**

Carmen Bradach, Chief Human Resources Officer, 218-749-7743

Shawn Bina, Provost, 218-235-2170

[s.bina@vcc.edu](mailto:s.bina@vcc.edu)

### **Separation Analysis by Protected Groups**

See Appendix E for the Separation Analysis Report.

Based on the analysis of the separation report, out of the 8 total separations 5 were from a protected group (63%). The college recognizes that in order to retain protected employees the college must maintain a long-term commitment to establishing a supportive work environment. All cultures and values are celebrated and embraced.

The College is experiencing decreasing enrollment, frozen tuition and reduced funding from the state. Due to the challenges faced over the past two years, the College has not eliminated existing positions but when vacancies occurred at the College the staffed needs were reassessed.

### **Methods of Retention of Protected Groups**

The Chief Human Resources Director and the Administration of the college are responsible for retention program and activities. Methods used to retain protected group employees include compliance with OCR follow-ups, diversity training for employees, performance goals toward diversity, active clubs, student diversity councils, employee diversity committee, professional diversity development plan for employees, maintaining diversity plans and outreach to diverse employees and students.
