Dear Governor Dayton, Senator, Representatives, and Revisor Marinac:

Minnesota Statutes, section 14.05, subd. 5, directs the Minnesota Department of Labor and Industry to report to you by December 1 of each year whether any of its rules are obsolete, unnecessary, or duplicative of other state or federal statutes or rules.

This year the Department is not reporting any rules as obsolete, unnecessary or duplicative.

Last year the Department identified the following rules as obsolete:

- **Minnesota Rules, Chapter 5228, Workers' Compensation; Fraud Unit (the entire chapter):** These rules have been transferred to the Minnesota Department of Commerce.
- **Minnesota Rules, Chapter 5226, Elevator Permit and Fee Requirement (the entire chapter):** This chapter was repealed by 2017 Minnesota Laws, chapter 68, article 1, section 27.

Please feel free to contact me if you have any questions.

Very truly yours,
