Dear Legislative Reference Library Staff,

Pursuant to Minn. Stat. §14.05, subd.5, please consider this correspondence as the report on obsolete, unnecessary and duplicative rules of the Minnesota Board of Animal Health (BAH), for the year 2019. Two copies of this report are being submitted to the MN Legislative Reference Library, and an electronic version is being submitted to reports@lrl.leg.mn.

At this time, there are no obsolete, unnecessary, or duplicative BAH rules.

The legislature did, however, amend a BAH statute in 2019 which will require BAH to amend its related rules. BAH will be embarking on the rulemaking process in late January or early February 2020 in order to amend these rules and incorporate statutory changes.

Sincerely,

Beth S. Thompson, JD, DVM
Executive Director and State Veterinarian
