RE: Minnesota Department of Transportation's Rulemaking Docket and Official Rulemaking Record

Dear Legislators:

In 2012 the Legislature amended [Minnesota Statutes, section 14.116](#) to include the following requirement:

“(a) By January 15 each year, each agency must submit its rulemaking docket maintained under section [14.366](#), and the official rulemaking record required under section [14.365](#) for any rule adopted during the preceding calendar year, to the chairs and ranking minority members of the legislative policy and budget committees with jurisdiction over the subject matter of the proposed rule.”

Accordingly, the Minnesota Department of Transportation is submitting its current [rulemaking docket](#).

The Department completed one rulemaking in 2019. The Department's Office of Transit and Active Transportation updated rules governing the Public Participation Program for Greater Minnesota, Minnesota Rules Chapter 8835. Under Minnesota Statutes, section 174.24, this program provides financial assistance to entities that provide public transit to citizens living in Greater Minnesota. The rules establish the procedures and standards for review and approval of applications for financial assistance.

All agency rulemaking is listed and can be searched on the [Revisor's website](#). If you have any questions about the above, please contact me at 651.366.4792.

Yours very truly,
