Monthly Checklist of Minnesota State Publications

Prepared for Members of the Minnesota State Legislature and for the Legislative Staff. Issued by the Legislative Reference Library, State Capitol, Room 111, St. Paul, Mn. 55155. Phone (612) 296-3398.

List No. 74-1 June 1974

EXPLANATION

Laws of 1974, Chapter 456 provides for a new method of distribution of State publications to the members of the Legislature.

Rather than send unsolicited publications to Legislators, the law now requires that department and agency reports and publications be submitted to the Legislative Reference Library. (Single copies of reports required by law are also to be sent to the Secretary of the Senate and the Chief Clerk of the House.)

10 copies of each publication are sent to the Library (and the Library can get additional copies as needed).

The directive of the law is:

"The Legislative Reference Library shall monthly give notice to each legislator of each publication filed pursuant to this act."

Accordingly, the latter part of each month the Library will issue a list of the publications received.

Kindly scan the list each month. If there are any publications you want, please request them from the Legislative Library (phone number above) or mail the coupon found at the end of this list.

746

Copies distributed under this law may be kept by the recipient. They are not loans from the Library, as other materials might be. The Library is merely a distribution center in this matter.

NOW AVAILABLE

Note: Departments and agencies have been asked to send a brief resumé of each publication. These summaries will be on file in the Library. Xerox copies can be made of them when wanted.

Pamphlets are numbered in sequence according to the way they are received. It will simplify requests if you will merely give the numbers of any items you want.

Monthly Checklist of Minnesota State Publications

Prepared for Members of the Minnesota State Legislature and for the Legislative Staff. Issued by the Legislative Reference Library, State Capitol, Room 111, St. Paul, Mn. 55155. Phone (612) 296-3398.

List No. 76-9: Periodicals April 5, 1976

Laws of 1974, Chapter 456 provides for a new method of distribution of Minnesota State Publications to the MEMBERS OF THE LEGISLATURE. State departments and agencies now send ten copies of all publications produced in their offices to the Legislative Reference Library. The Library will regularly issue a list of these publications. If you would like to receive any of the items on this list, please request them from the Library by either calling directly or mailing the attached coupon. You need only give the item number shown in the right hand column.

★ PUBLICATIONS MARKED BY THE ASTERISK MAY BE PURCHASED FROM THE DOCUMENT SECTION, 140 CENTENNIAL OFFICE BLDG., ST. PAUL, MINNESOTA 55155 (612-296-2874).

As you can see, the monthly checklist is undergoing various changes. This checklist is made up entirely of periodicals. Please note the new numbering system for the periodicals, which consists of an arbitrary identification number, a colon, and a series of numbers which identifies the specific issue. We hope you will excuse the delay in getting this checklist out to you. In the future we plan to publish a periodicals checklist once each month.
