

FIFTH AMENDMENT TO TECHNICAL STANDARDS
IN TRIBAL-STATE COMPACT FOR CONTROL OF CLASS III
VIDEO GAMES OF CHANCE ON THE WHITE EARTH BAND
OF CHIPPEWA RESERVATION IN MINNESOTA

Pursuant to Section 6.12 of the Tribal-State Compact for Control of Class III Video Games of Chance on the White Earth Band of Chippewa Reservation in Minnesota, the State of Minnesota, by and through its Commissioner of Public Safety, and the White Earth Band of Chippewa, agree to amend such Compact as follows:

1. Section 6.9(9) is amended as follows (additions in double underlined type; deletions in ~~cross-out~~ type):

The coin and currency compartment shall be secured with a different key or combination than that used for the main cabinet door, except that a separate cash compartment shall not be required for coins necessary to pay prizes in a machine which pays prizes through a drop hopper, or in a cashless video game of chance.

2. Section 6.9(16) is amended as follows (additions in double underlined type; deletions in ~~cross-out~~ type):

No Credit Card Meters Permitted. No video game of chance may be equipped with a device which permits the player to use a credit card or debit card rather than currency, tokens, or coins, cashless tickets, or cashless electronic credits to activate the game.

3. Section 6.9A(1) is amended as follows (additions in double underlined type; deletions in ~~cross-out~~ type):

Technical Standards for Gaming Devices that Accept Coin, Tokens, Currency, or Cashless Tickets and Issue Cashless Tickets

(1) Cashless Gaming Devices

The following technical standards are applicable for gaming devices that accept/issue coin, tokens, currency, cashless electronic credits, or cashless tickets and issue cashless tickets. For the purpose of this section, the term "cashless electronic credits" means electronic credits awarded by a cashless promotional system. Cashless gaming devices and the associated equipment must be tested and approved by a gaming test laboratory. Prior to public play on a cashless ~~ticket~~ gaming device that is operated as part of an initial installation of a cashless system, the State of Minnesota, through its Commissioner of Public Safety will test and certify the gaming device. This requirement shall apply only to those video games of chance cashless ~~ticket~~ gaming devices that are part of the initial installation of devices on a cashless system, and shall not apply to subsequent additions of cashless ~~ticket~~ gaming devices to such a cashless system. Nothing contained in this provision is intended to, nor does, modify, alter or otherwise restrict the authority of the State of Minnesota, through its Commissioner of Public Safety, to conduct those inspections contemplated by Section 4.4 of the Tribal-State Compact for Control of Class III Video Games of Chance on the White Earth Band of Chippewa Reservation, including, for the purposes of investigating potential criminal activity, any related promotional systems.

4. Section 6.10(5) is amended as follows:

Software Requirements for Play Transaction Records. Each game shall maintain electronic accounting meters. Such meters shall be maintained at all times, whether or not the game is being supplied with external power, unless an online gaming machine monitoring system is utilized that captures similar data. Mechanical meters are not required. If mechanical meters are utilized they must be fully functional. The following information must be recorded and stored on meters capable of maintaining totals no less than eight digits in length:

- (a) Total number of coins inserted (the meter must count the total number of coins, or the equivalent value if a bill acceptor is used, which are inserted by players);
- (b) Number of Credits Wagered;
- (c) Number of Credits Won;
- (d) Credits paid out by Printed Ticket Voucher or cash paid by the device.

The following information must be recorded and stored on meters capable of maintaining totals no less than six digits in length:

- (e) Number of Times the Logic Area was accessed;

- (f) Number of Coins or Credits Wagered in the Current Game;
- (g) Number of Coins or Credits Wagered in the last complete, valid game; and
- (h) Number of cumulative credits representing credits won and money inserted by a player but not collected, commonly referred to as the credit meter.

Meter Requirements for Promotional Gaming Devices. The following specific promotional meters are required.

(a) Total Promotional Awards In (received by game) meter, which includes:

- 1) Total non-restricted (cashable) Promotional In if applicable
- 2) Total restricted (non-cashable), Promotional In, if applicable

(b) Total Promotional Awards Out (removed from game and transferred back to player account) meter, if applicable, which includes:

- 1) Total non-restricted (cashable), Promotional Out
- 2) Total restricted (non-cashable), Promotional Out

Audit Trails for Promotional Transactions.

A cashless promotional system must have the ability to recall the last twenty-five (25) promotional transactions received from the system and the last twenty-five (25) promotional transactions transmitted to the system each gaming device associated with the system. However, if a gaming device has Bonusing or host-cashless features, or both enabled simultaneously with promotional features a single 100-event log shall suffice. The following information must be displayed:

- (a) The type of transaction (upload/download) including restrictions (cashable or non-cashable, etc.) if utilizing a single 100-event log;
- (b) Transaction value;
- (c) Time and date;
- (d) The players account or a unique identifier, either of which can be used to authenticate the source of the funds (i.e., source of where the funds came from/went to.)

Prior to public use of those video gaming devices activated by cashless tickets and cashless electronic credits installed by the Band in its facilities, the Band shall adopt minimum internal control standards ("MICS") governing the use by the Band of such video gaming devices. The controls imposed by the MICS adopted by the Band on the operation and use of video gaming devices activated

by cashless tickets and cashless electronic credits shall be no less stringent than those proposed by the National Indian Gaming Commission for use of cashless technology.
