

United States Department of the Interior

OFFICE OF THE SECRETARY

Washington, DC 20240

AUG - 8 2024

The Honorable Michael Fairbanks
Chairman, White Earth Band
of the Minnesota Chippewa Tribe
P.O. Box 418
White Earth, Minnesota 56591

Dear Chairman Fairbanks:

On June 24, 2024, the Office of Indian Gaming received the Addendum to the Tribal-State Compact for Control of Class III Blackjack (Compact) between the White Earth Band of the Minnesota Chippewa Tribe (Tribe) and the State of Minnesota (State) providing for the regulation of Class III banked card games by the Tribe.

The Compact permits the Tribe to operate any banking Class III card games on its Indian lands if the State permits such games. The Compact clarifies that it does not alter the Tribe's ability to operate Blackjack as specified under the Blackjack Compact. The Compact includes applicable definitions, certain regulatory standards incorporated from the Blackjack Compact, provisions related to background investigations, dispute resolution, and enforcement, and requires the Tribe to adopt additional regulatory standards governing the conduct of card games.

We have completed our review of the Compact and conclude that it does not violate the Indian Gaming Regulatory Act (IGRA), any other provision of Federal law that does not relate to jurisdiction over gaming on Indian lands, or the trust obligations of the United States to Indians. 25 U.S.C. § 2710(d)(8)(B). Therefore, pursuant to my delegated authority and Section 11 of IGRA, I approve the Compact. 25 U.S.C. § 2710(d)(8)(A). The Compact takes effect when the notice of this approval is published in the *Federal Register*, as required by 25 U.S.C § 2710(d)(8)(D).

A similar letter is being sent to the Honorable Tim Walz, Governor, State of Minnesota.

Sincerely,

Wzipan Garriott
Principal Deputy Assistant Secretary – Indian Affairs
Exercising by delegation the authority of the
Assistant Secretary – Indian Affairs
