I INTRODUCTION

- The total amount of contributions received and expenditures made in 1978 by principal campaign committees of candidates* registered with the Ethical Practices Board is reported in this summary.
- The major donors disclosed in this summary are those that contributed in excess of \$100, in aggregate, in 1978, to the registered principal campaign committees.
- Campaign expenditure limits are in effect only for those candidates who signed either a public financing or a tax credit subsidy agreement in 1978.
- Expenditure and contribution limits were suspended from January 1 through February 28, 1978, by a decision of a three judge federal court panel in response to a constitutional challenge in 1976. Therefore, the summary may show certain candidates spending in excess of the limit.
- The information** contained in this summary has been neither verified nor audited by the Board but represents information which the principal campaign committees filed in reports with the Ethical Practices Board.

**For Governor, Lieutenant Governor, Attorney General, Secretary of State, State Treasurer, State Auditor, District and Supreme Court judgeships.*
