CAMPAIGN EXPENDITURES

Campaign expenditure limit (\$1,270,800 for governor-lt. governor; \$211,800 for attorney general; \$105,900 for secretary of state, state auditor, state treasurer (each)) is in effect only for those candidates who sign either a public financing agreement or tax credit agreement or both in 1982. Since candidates have until December 31, 1982, to sign a tax credit agreement, notation of such signing is not included in this preliminary summary. In addition a 20% increase in the stated limit is permitted for a winning candidate in a contested primary who received less than twice the number of votes as his nearest competitor.

CAMPAIGN EXPENDITURES

Campaign expenditure limit (\$31,770 for state senator; \$15,885 for state representative) is in effect only for those candidates who sign either a public financing agreement or tax credit agreement or both in 1982. Since candidates have until December 31, 1982, to sign a tax credit agreement, notation of such signing is not included in this preliminary summary. In addition, a 20% increase in the stated limit is permitted for a winning candidate in a contested primary who received less than twice the number of votes of his nearest competitor.
