## **ESTIMATED COST OF PREPARING THIS REPORT**

This report provides information which is maintained and published as Minnesota Rules by the Office of Revisor of Statutes as a part of its normal business functions. Therefore, the cost information reported below does not include the cost of gathering the data but rather is limited to the estimated cost of actually analyzing the data, determining recommendations and preparing this report document.

Special funding was not appropriated for the costs of preparing this report.

The estimated cost incurred by the Minnesota Department of Children, Families and Learning in preparing this report is \$636.00.

## **Review of Rules**

Minnesota Statutes, Chapter 14, the Administrative Procedure Act, which governs rulemaking in state agencies, requires under section 14.05 subd. 5 that:

By December 1 of each year, an agency shall submit a list of all the rules of the agency to the governor, the legislative commission to review administrative rules, and the revisor of statutes. The list must identify any rules that are obsolete and should be repealed. The list must also include an explanation of why the rule is obsolete and the agency's timetable for repeal.

In accordance with this requirement, the Department of Children Families and Learning has reviewed the Department of Education Rules Relating to Education, Chapters 3500, 3501, 3505, 3510, 3515, 3517, 3520, 3525, 3530, 3535, 3540, 3545 and 3550.

This report includes:

- 1) a listing of the Department of Education Rules Relating to Education, Chapters 3500 - 3550 that are currently in effect;
- 2) the effective date of repeal for any of those rules for which legislation has been enacted to repeal; and
- 3) the designation of obsolete for any of the rules that are identified as no longer needed and that are recommended for repeal.

This information is presented in column form so that it is useful at a glance.

Any rules identified as obsolete have the word "obsolete" noted in column (3) three.

In addition, an explanation of why a rule is designated as obsolete and the department's timetable for recommending repeal is included in narrative form following the listing.

## Obsolete Rules Explanations

The rules marked "obsolete" in column (3) are listed below with the explanation of why the rule is obsolete and the recommended repeal date.

### 3505.4300 Community based education

The requirements in this rule refer to 3500.3500 (repealed 1993), 3505.4400 (to be repealed 8/1/96), and 3505.4700 (to be repealed 8/1/96). It also states in MN Law Ch.224, Art 12, Sec. 36 that program standards are to replace rules in chapter 3505 including community-based cooperative vocational programs.

Recommend date of repeal: July 1, 1997

### 3545.0600 Applicability of rules

### 3545.0900 Financial reporting standards

### 3545.0800 Modified accrual accounting and other accounting requirements

### 3545.0900 Fund accounting

Rules 3545.0600 through 3545.0900, Financial Accounting Reporting Requirements, should be repealed. This is due to the change in responsibility determined by 1993 Laws, Chpt. 224, Article 12, Sec. 13, which assigned the guidelines for UFARS to the Department of Education. Also, the present rules have been made inaccurate by legislation, and there is nothing in the present rules which is not contained in statute or the UFARS Manual.

Recommend date of repeal: July 1, 1997

### 3550.0100 Method of determining the training and experience index component of the school foundation aid formula

Rules of Chapter 3550, Training and Experience Index, should be repealed. 1995 Special Session Laws, Chpt. 3, Article 1, Sections 29, 30, 40 and 44 eliminate the Training and Experience component of General Education Revenue beginning in FY 1997. Also, the present formula in Rule is not accurate due to subsequent legislation. The formula is specified in statute.

Recommend date of repeal: July 1, 1997
