145. *EMPIRE STATE REPORT: THE MAGAZINE OF POLITICS AND GOVERNMENT IN NEW YORK STATE. 6/year.

A privately published journal concerned with governmental problems, program policies and personalities affecting the State of New York. Issue areas include topics which are or may become of concern in state government. Regularly includes 8-10 articles, editorials and comments, new directions, a column on innovation and a column on public finance.

Govermemnt - State

146. EMPIRE STATE REPORT WEEKLY. New York State Legislative Institute at Baruch College. Weekly.

Government - State
Legislation - State

147. *EMPLOYMENT AND EARNINGS. U.S. Department of Labor. Bureau of Labor Statistics. Monthly.

A technical but major economic statistical source. Regularly includes employment and earnings data by household, employment status, sex and age, SIC group, state and selected SMSA. Each issue contains a special feature on topics like annual averages, state averages, employment of women and seasonal adjustments.

Employment

148. *ENCOUNTERS. Science Museum of Minnesota. 6/year.

Contains six to ten short feature articles on scientific topics ranging from biology to aerodynamics. Columns on science for children, continuing education classes, astronomical events and many other topics. Includes a calendar of events. Written for a general non-scientific audience.

Science and Technology

149. *ENERGY USERS NEWS. Fairchild Publications. Weekly.

A trade publication which does not really contain a table of contents, but the weekly news summary provides a form of index. Areas covered include conservation, management, power resources, pricing, fuels, technology, innovations, laws, legislation and regulation. Regular features: state and federal legislative and regulatory source boards, pricing data by region, city and type of fuel.

Energy

150. *ENGINEERING NEWS-RECORD. McGraw-Hill, Inc. Weekly.

Recurring features: news items, management and labor, letters, materials prices (includes Minneapolis), unit prices, editorials, construction score board which includes statistical data on costs, volume, and capital, ENR Index comparing current costs with 1913 and 1967, data on construction costs, building costs and wage rates. Feature articles often deal with legislative, legal or regulatory aspects of engineering and construction operations and projects. Much material on transportation systems, utilities and energy.

Construction Industry

151. *ENTREPRENEURIAL ECONOMY. The Corporation for Enterprise Development. Monthly.

Purpose is to provide exchange of information to assist private corporations, state and local government, and community based organizations to devise and implement enterprise development strategies to create jobs, generate income, provide goods and services and revitalize depressed economies.

Economic Development

152. *ENVIRONMENT. Helen Dwight Reed Educational Foundation and Scientist's Institute for Public Information. Monthly.

An important publication containing timely non-technical articles. Recent issues have included articles on vanishing cropland, energy from alcohol, the hazards of high voltage lines, and an analysis of the outcome of the November election in terms of individuals and referenda.

Environment

153. *ENVIRONMENTAL ACTION. Environmental Action, Inc. 10/year.

A national lobbying organization publication containing articles on environmental energy, pollution, conservation, waste management and related topics.

Environment

154. *ENVIRONMENTAL SCIENCE & TECHNOLOGY. American Chemical Association. Monthly.

This highly technical scientific publication contains feature articles with an environmental focus. Recurrent features: Investigators reports and summaries of court actions.

Environment

155. EQUAL TIME. Star of the North Publishing Company. Monthly.

Civil Rights

156. *FBI LAW ENFORCEMENT BULLETIN. U.S. Federal Bureau of Investigation. Monthly.

Most articles fall into the following broad subject areas: crime problems, forensic science, investigative techniques, law enforcement, management, technology, traffic and training. Recurrent feature "Legal Digest."

Crime and Criminals
Law Enforcement

157. *FDA CONSUMER. U.S. Department of Health and Human Services. Food and Drug Administration. Monthly.

The official magazine of the Food and Drug Administration deals with the wide range of topic areas of concern to this office. Recent issues consider pesticide residue, ulcers, the tomato, food labelling, irritation, headaches, anesthesia and drug ads. Recurrent features: Investigators' reports and summaries of court actions.

Consumer Affairs

158. *FLC NEWSLETTER. U.S. Library of Congress. Federal Library Committee. Irregular.

Contains news on library topics, booklists, federal information policies, etc.

Library and Information Science

159. *FAMILY ECONOMICS REVIEW. U.S. Department of Agriculture. Science and Education Administration. Agricultural Research, Northeastern Region. Quarterly.

Reports on research, information and publications relating to the economic aspects of family living. Articles include many unique and valuable statistics, e.g. a series of family budgets for different income levels and ages, and a continuing series on the cost of raising a child in the different regions of the United States. Other areas of interest include housing and housing finance; food, diet and associated costs; problems peculiar to women and children; consumer issues and various human services.

Economic Conditions

160. *FAMILY PLANNING PERSPECTIVES. Alan Guttmacher Institute. 6/year.

Contains news items, articles, special reports, digested reports and book reviews on all topics related to pregnancy, family planning, abortion, sex education, etc.

Health & Health Care
Women

161. FARM BUREAU NEWS. The Farm Bureau Federation. Weekly.

Agriculture
Rural Affairs
