

# THE SESSION WEEKLY

MINNESOTA HOUSE OF REPRESENTATIVES  
VOLUME 2, NUMBER 17  
MAY 3, 1985

## HIGHLIGHTS

### Funding bills

The Appropriations Committee wrapped up 17 weeks of study and work when they sent to the full House the omnibus funding bills that came to the committee from its four divisions.

The committee recommended to pass the \$1 billion State Departments Division bill, HF1641 (DenOuden, IR-Prinsburg), on May 1. The bill cuts personnel and funding to many departments including the Department of Natural Resources and the Department of Energy and Economic Development.

The committee's April 30 agenda included the Human Services Division's budget bill of \$2 billion that would provide funding for the departments of health, welfare, corrections, and economic security over the next couple years. The committee approved HF1640 (Anderson, IR-Ottertail) which would reduce the number of people that would qualify for general assistance by an estimated 24,000.

Also on that date, the committee approved the \$2 billion Agriculture, Transportation, and Semi-State Division bill, HF1639 (Valan, IR-Moorhead).

April 29, the committee completed work on the Education Division bill, HF1638 (Haukoos, IR-Albert Lea), granting \$1.9 billion to state universities, community colleges, AVTIs, the University of Minnesota, and various scholarship and grant programs.

The full House will begin taking action on these bills next week.

### 911 emergency call

Three-fourths of the people in Minnesota can now dial 911 for emergency help. But present service, and plans to extend it, would

end July 1 this year under the State Departments' funding bill, which doesn't grant the \$7.9 million needed to continue or to complete the state-wide hookup.

The Appropriations Committee recommended HF1641 to pass May 1 and also voted to repeal present law that directs all counties to have 911 service operational by Dec. 15, 1986.

The bill's author, Gaylin DenOuden (IR-Prinsburg), says eliminating 911 is a move to reduce the size and scope of government. Rep. Phyllis Kahn (DFL-Mpls) failed in several attempts to include the service in the funding bill which goes now to the full House.

### Scholarships

The Taxes Committee, May 1, heard HF1581 (Rose, IR-Roseville), a bill that would set up a scholarship for excellence program for outstanding Minnesota high school students. The program would grant \$1,000 scholarships to qualified 11th and 12th graders for their college educations.

Chief author Rep. John Rose says the proposed program is unique because it would base awards strictly on scholarship rather than need. He says the plan also includes a renewal provision and an opportunity for \$1,000 to revert to the high school the student attended while studying and getting the scholarship awards.

The bill originally called for a tax checkoff to raise money for the program. But because several committee members preferred a direct appropriation over the checkoff, the committee agreed to delete the checkoff provision.

The committee hears the bill again on May 3.

## Tax cuts

On April 30, after eight hours of debate by legislators on both sides of the tax issue, the House voted 100 to 32 in favor of HF756 (IR-Schreiber, Brooklyn Park). The taxes omnibus bill includes \$1.2 billion in tax cuts.

Majority Leader Rep. Connie Levi (IR-Dellwood) called the legislation a balanced, equitable, and fair package. But Rep. John Brandl (DFL-Mpls) said the proposal doesn't allow for proper funding of such services as education and social services.

HF756 calls for individual income tax reductions of \$849 million and sales tax cuts of \$350 million (including 1/2 percent off the 6 percent general sales tax).

The House adopted an amendment calling for the state to pay homestead credits in the seven-county metropolitan area equal to one percent of the market value of the home, up to a maximum of \$700. Outside the metro area, homestead credits would be 49 percent of the gross tax for a homeowner, up to \$700. Currently, the state pays homestead credits amounting to 54 percent of a homeowner's tax bill, up to \$650.

The bill went to the Senate where a different version is in the process.

## Farm tax incentives

Retiring farmers who sell and lease land to beginning farmers would benefit under HF587 (Waltman, IR-Elgin). The bill would allow them to make these tax exclusions:

- up to \$10,000 in rental income each year for up to five years on land they lease to beginning farmers;
- \$50,000 of capital gains from reportable state income on sales of land to beginning farmers; and
- income from contract for deed land sales to beginning farmers.

Rep. K. J. McDonald (IR-Watertown), chair of the Agriculture Committee, says the bill will give recognition to those who are willing to help young farmers get started. Looking at the bill in that light, he says, could make it part of the farm plan this year in the Legislature.

The Local Government Finance Division of the Taxes Committee, on April 29, recommended HF587 to pass. The full Taxes Committee hears it next.

## License plate tags

Large numbers of notices reminding Minnesota drivers to renew their license plate tags get lost in the mail, according to reports from the Department of Public Safety. That means some motorists unknowingly drive with expired tags on their vehicles.

HF454 (McKasy, IR-Mendota Heights), a bill the House repassed as amended by the Senate April 29, and which is on its way to the governor for his signature, will come to the aid of people whose notices don't get to them.

Under the bill, a person could avoid paying for a ticket for driving an unregistered vehicle by: producing a registrar's statement about failure to send a notice, paying the license fee, and putting the tags on within 10 days of getting the citation.

## Liability for dogs

The House April 25 passed HF264, a bill that would set criminal penalties for people who cause death or substantial bodily harm to others by letting their dogs run or by failing to properly confine them.

Rep. Jim Heap (IR-Plymouth), author of the bill, says it stems from an accident in his district involving the death of seven-year-old Jeremiah Rogholt.

"This bill came before us through a tragic incident, one in which a little boy, seven years of age was viciously attacked and lost his life . . . We have a number of other issues that have been added to the bill. But I think what it's trying to say is that we want owners to take necessary safety precautions with their animals," he said.

The bill would require proper identification of dogs. And owners who don't have their dogs vaccinated against rabies would be guilty of a petty misdemeanor if the dog bites someone.

## Vouching for voters

The House, April 25, approved HF634 (Shaver, IR-Wayzata), a bill that would put a limit of three on the number of people one could vouch for at the voting polls on election day.

## THE SESSION WEEKLY

MINNESOTA HOUSE OF REPRESENTATIVES

**The Session Weekly** is a publication of the Minnesota House of Representatives Public Information Office. During the 1985 Legislative Session, each issue reports daily House action from Thursday (2 p.m.) to Thursday (2 p.m.), lists bill introductions and advance committee schedules, and provides other information. The publication is free to interested constituents. Contact: Minnesota House of Representatives Public Information Office, Room 9, State Capitol, St. Paul, MN 55155, [612] 296-2146.

**Information Officer:** Jean Steiner • **Editor:** Peg Hamerston • **Associate Editor/Writer:** Bonnie Kollodge • **Assistant Editor/Writer:** Lisa Lissimore • **Art and Production Coordinator:** Donna J. Lyons • **Session Writers:** Patrick Collins, Michael N. Gray, Susan J. Shepard • **Bill Introductions & Committee Schedules:** Cathy Elmstrom, Terri Hudoba, Dorothy Sawyer.

The bill's author, Rep. Craig Shaver, says Minnesota is one of the few states in the nation that lets people register to vote on election day. He says that although he has heard from people who want to repeal the provision in state law that permits such registration, he thinks the law serves a useful purpose for people who have recently moved.

The bill wouldn't apply if an individual is vouching for voters who all live in the same family dwelling and are all members of the same family, or who are residents of a shelter for battered women.

The law now allows a person to vouch for a new voter if he or she personally knows the individual. Shaver says testimony in the House elections subcommittee from election law officials pointed to abuses of the present law, such as people vouching for individuals they had not met before.
